Planetarium Public Shows: Weekday Offerings

Wednesdays in October

Options available at 11:00 a.m. and 2:00 p.m.

\$3.50 per person

22 seats maximum

Register at least one day prior to program (no walk-ins please)

Families, caregivers, home school groups, scout troops, 4-H and more... supplement your learner's virtual education experience with a planetarium show at Horwitz-DeRemer Planetarium. In the month of October, we will be highlighting four exciting programs for your elementary student. Each program is 60 minutes in duration. All children must be accompanied by an adult. Face masks will be required indoors.

One World, One Sky: Big Bird's Adventure

October 7 at 11 a.m.

October 21 at 2:00 p.m.

Explore the night sky with our friends from Sesame Street™. Join Big Bird, Elmo, and Hu Hu Zhu as they take a trip to the Moon. Learn how the Moon differs from Earth and how to find the Big Dipper and North Star.

Defying Gravity

October 7 at 2:00 p.m.

October 14 at 11:00 a.m.

Meet Apollo Aurora, host of the Planetarium Channel's universally loved gravity news source. With robot correspondents Apple 1-6-8-6 and EGR-1, Apollo and her team explore rocket power, gravity on other planets, monstrous black holes, and even what keeps us grounded here on Earth! Tune in to this fulldome show and uncover the mysteries of gravity!

Our Place in Space

October 14 at 2:00 p.m.

October 28 at 11:00 a.m.

This award-winning children's planetarium show introduces jungle animals and a space crossword puzzle to explore the wonders of the universe. This program will inspire your young astronomer to appreciate the beauty of the night sky.

Spooky Space

October 21 at 11:00 a.m.

October 28 at 2:00 p.m.

Would you like to meet the stars of Halloween? Monsters, zombies, ghosts and their far more terrible counterparts in space? Oh, yes, space has its monsters: black holes, zombie stars, and spectacular ghostly nebulae.
