DATCP Releases Webinars on ATCP 75 and the Wisconsin Food Code

Dear valued Staff and Agent partners,

Changes to Wis. Admin. Code § ATCP 75—Retail Food Establishments and the Appendix (Wisconsin Food Code)—go into effect on Oct. 26, 2020. To help you understand the changes, the Wisconsin Department of Agriculture, Trade and Consumer Protection (DATCP) has released a new series of training videos.

DATCP created four prerecorded webinars designed to provide information on the changes to ATCP 75 and the Wisconsin Food Code. These webinars are [available here](#) and can viewed at your convenience. You also will find three new fact sheets describing the major changes in ATCP 75.

The department plans to host two live webinar Q&As on the following dates:

- **Nov. 12, 2020**, from 9-10:30 a.m.
 - [Register here](#)
- **Dec. 2, 2020**, from 9-10:30 a.m.
 - [Register here](#)

To submit questions for the two Q&As, [please visit this link](#). Questions from these Q&As will be used to create a frequently asked questions document that will be available on the DATCP website.

Thank you for your role in keeping Wisconsinites safe and healthy through safe food handling practices. If you have questions, please reach us at DATCPDFRSRETAIL@wisconsin.gov.

Sincerely,

The Division of Food and Recreational Safety
