

Conservation Programs Summary

This summary is provided for general information only. Program funding, rules and eligibility are subject to change. Please contact the agency listed for details regarding a specific program.

Program	Description	Agency	Contact	Eligibility
WI Forest Landowner Grant Program (WFLGP)	A cost-sharing program that provides funding for stewardship practices on private land. Up to 50% of the eligible costs can be refunded upon completion of the work. Landowner grant applications are accepted continuously but processed only four times a year - February 1, May 1, August 1, and November 1. Applications are funded based on priority.	Wisconsin Department of Natural Resources (DNR)	DNR Service Center 141 NW Barstow Rm 180 Waukesha WI 53188 (262) 574-2100 DNR Forest Grant	Private landowners with at least 10 acres of non-industrial private forest.
Conservation Reserve Program (CRP)	Voluntary program for agricultural landowners. Through CRP, you can receive annual rental payments and cost-share assistance to establish long-term, resource conserving covers on eligible farmland. The Commodity Credit Corporation (CCC) makes annual rental payments based on the agriculture rental value of the land, and provides cost-share assistance for up to 50 percent of the participant's costs in establishing approved conservation practices. Participants enroll in CRP contracts for 10 to 15 years.	Farm Service Agency (FSA)	515 W Moreland Blvd ACG 48 Waukesha WI 53188 (262) 547-3754 www.fsa.usda.gov/wi	Cropland that is planted or considered planted to an agricultural commodity 4 of the previous 6 crop years from 2008 to 2012, and which is physically and legally capable of being planted in a normal manner to an agricultural commodity; or certain marginal pastureland that is suitable for use as a riparian buffer or for similar water quality purposes.
Conservation Stewardship Program (CSP)	Voluntary conservation program that encourages producers to address resource concerns in a comprehensive manner by undertaking additional conservation activities, and improving, maintaining and managing existing conservation activities; involves a five-year contract in which the farmer agrees to maintain existing conservation and to do more over the life of the contract. Documentation of farm conservation activities is used to determine eligibility and ranking. NRCS provides financial and technical assistance. Payments may range from about \$10 -\$40 per acre.	Natural Resources Conservation Service (NRCS)	1012 Vine Street Union Grove, WI 53182 -1330 (262) 878-1243 www.wi.nrcs.usda.gov	Must include the entire agricultural operation (land for which you are the operator in the Farm Service Agency farm records management system).

Program	Description	Agency	Contact	Eligibility
Environmental Quality Incentives Program (EQIP)	Offers financial assistance for implementing eligible conservation practices; may pay up to 75 % of the costs. Incentive payments may also be made to encourage a farmer to adopt land management practices, such as nutrient management, integrated pest management or wildlife habitat management. Contracts for practice implementation are from 1-10 years.	Natural Resources Conservation Service (NRCS)	1012 Vine Street Union Grove, WI 53182 -1330 (262) 878-1243 www.wi.nrcs.usda.gov	Any farmer engaged in livestock or crop production on eligible land.
WI Working Lands Initiative (Farmland Preservation Program)	The Wisconsin Working Lands Initiative provides eligible landowners with an opportunity to claim Farmland Preservation tax credits. These are income tax credits applied against tax liability and are available for the 2010 tax year and beyond. Tax credit amounts are: 1)\$5.00/ac for farmers with a Farmland Preservation Agreement (FPA) signed after July 1, 2009 and located in an Agricultural Enterprise Area (AEA) , 2) \$7.50/ac for farmers in an area zoned and certified for Farmland Preservation, and 3) \$10.00/ac for farmers in an area zoned and certified for Farmland Preservation, in an AEA, with a FPA signed after July 1, 2009.	Wisconsin Department of Agriculture, Trade and Consumer Protection (DATCP), Waukesha County Land Resources Division	515 W Moreland Blvd AC 260 Waukesha WI 53188 (262)896-8306 DATCP Working Land Initiative Waukesha County FPP	To claim a tax credit, landowners must be located in an area zoned and certified for Farmland Preservation or have a Farmland Preservation Agreement and be located in an Agricultural Enterprise Area. Landowners must be residents of Wisconsin and must meet other eligibility criteria to claim the credit, including compliance with state soil and water conservation standards. At this time, only areas with designated Farmland Preservation are in Town of Oconomowoc , Town of Ottawa , and Town of Eagle (see Waukesha County Farmland Preservation Plan 2011 Update for maps).
Soil and Water Resource Management Grant (SWRM)	State grants to counties to provide landowner cost sharing to implement Land and Water Resource Management plans. Cost share assistance (up to 70%) to implement conservation practices (identified in ATCP 50).	Wisconsin Department of Agriculture, Trade and Consumer Protection (DATCP), Waukesha County Land Resources Division	515 W Moreland Blvd AC 260 Waukesha WI 53188 (262) 896-8306	
Notice of Discharge Project Grant (NOD)	Notice of Discharge (NOD) Project Grants are provided to local units of government (typically counties) by the Department of Natural Resources and the Department of Agriculture, Trade and Consumer Protection. The purpose of these grants is to provide cost sharing to farmers who are required to install agricultural best management practices to comply with NOD requirements.	Wisconsin Department of Natural Resources (DNR) and Wisconsin Department of Agriculture, Trade and Consumer Protection (DATCP)	DNR Service Center 141 NW Barstow Rm 180 Waukesha WI 53188 (262) 574-2100 http://dnr.wi.gov/aid/nod.html	Producers who have been issued a NOD by the DNR under Chapter NR 243 (Animal Feeding Operations); small and medium animal feeding operations that pose environmental threats to state water resources.
