## Purple Loosestrife Planting Date Changed

With winter weather creeping into spring, we need to reschedule the purple loosestrife planting day to Saturday, May 12th, 2018.

Plan on planting roots between 9:00 and 11:00am. You may take home the pools (5 pots/pool) that morning.

We'll have the documentation paperwork there. Don't forget to let your friends know about planting and raising beetles!

## Clean Boats, Clean Waters Trainings

We are truly happy to support Lake Districts, Lake Associations, municipalities, and conservation organizations in applying for Clean Boats, Clean Waters (CBCW) grants. This year, we have had awesome CBCW grant participation with 11 municipalities, lake groups, and conservation organizations receiving grant funding for the summer of 2018!

With all these grants awarded, we better get to training! Please see the table below for dates, times, and locations for 2018 Clean Boats, Clean Waters watercraft inspector training.

Please RSVP at the link below to ensure we have your shirt size and enough training materials for each event, then mark your calendar for the training!
