NAGA-WAUKEE PARK

Naga-Waukee Park is part of the Waukesha County Park System. This 8,500-acre, natural resources-based system consists of diverse landscapes, high-quality natural areas, a variety of trails, and beautiful lakes, ponds and waterways.

This 414-acre parcel contains a 206-acre regional park along the shores of Nagawicka Lake. The diverse topographical features that were created during the glacial age offers many recreational opportunities and the boardwalk has spectacular views for great photo opportunities.

The oak hickory forest and thick undergrowth define the trails that wind throughout the park, which is home to many different species of wildlife. Catch glimpses of baltimore orioles, tufted titmouse, hooded warblers, and great horned owls throughout the park.

Naga-Waukee War Memorial Golf Course also makes up this large parcel. The 18-hole championship golf course was designed by golf course architect Lawrence Packard. The rugged terrain and breathtaking views of Pewaukee Lake make playing this course an unforgettable experience.

Lake access sites managed by park staff at Pewaukee, Nagawicka, and Nemahbin Lakes provide boat launches for getting out on the water with daily pass or annual lake access sticker.
