For information on a special program for businesses & agricultural hazardous waste, contact Waukesha County.

Free Product Exchange Program
Drop off or take usable materials, such as cleaning and automotive products, new/usable paints and stains, as well as lawn, garden and other household products at NO CHARGE.

Quantities and types of materials available vary. You will be required to sign a Liability Waiver and Release Form.

The product exchange program is available at permanent collection sites only.

Subject to change based on funding

Sites are closed on holidays. Check the holiday closing schedule at www.waukeshacounty.gov/hazardouswaste

IMPORTANT NOTICE ABOUT HOUSEHOLD HAZARDOUS WASTE
• Household Hazardous Waste (HHW) disposal is expensive. This option should always be the last resort. Purchase only what you need. Use up the product or ask friends, family, or neighbors if they can use the product. Use the product exchange program.

• Facility operators reserve the right to refuse any substance that cannot be disposed.

• Participants are required to show ID.

• Drop off materials ONLY during regular operating hours.

• NO LATEX PAINT, appliances, or electronics.

* Solvent-containing products have the words: “Flammable,” “Combustible,” or “contains petroleum distillates” on the label. Also, products with acetone, xylene, and methylene chloride should be taken to collection site.

### TIPS
- Read labels for safe usage, storage, and disposal of products.
- Prevent products from freezing.
- Keep products in original, labeled containers.
- Don’t mix any materials in the same container. 1
- Box containers so they don’t tip over during transport.
- Keep materials away from children, pets, and passengers.
- Whenever possible, use entire product as directed to help reduce waste.

### References
1. Never mix products containing ammonia with those containing bleach. A toxic gas can form!
2. Return or trade in at place of purchase or visit www.call2recycle.org for nearest location.
3. If packaging lists product as corrosive the item will be accepted at HHW collection sites.
4. Do NOT FLUSH. Bag and put in trash if no collection program available.
5. For paint disposal guide visit www.waukeshacounty.gov/latexpaint.
6. Check with your municipal drop off site or local service station.
7. Return or trade in at place of purchase or visit www.waukeshacounty.gov/recycling for nearest location.
8. Return or trade in at place of purchase. Buy refillable canisters whenever possible.
