Date: Tuesday, October 26, 2021

### **WAUKESHA COUNTY, SCHOOL DISTRICT OF WAUKESHA AND FRIENDS OF RETZER NATURE CENTER'S ANNUAL SCIENCE FEST RETURNS WITH FREE ADMISSION**

(Waukesha, WI) – Waukesha County invites residents of all ages to celebrate our daily connection with science, technology, engineering, art, and math at the annual Friends of Retzer Nature Center's Science Fest. Attendees will enjoy free admission on Saturday, November 6 from 11 a.m. to 2 p.m. to explore, engage and discover at Retzer Environmental Learning Center located at S14W28167 Madison Street, Waukesha.

“We are thrilled to share the exciting science happening across Waukesha County,” said Dale Shaver, Director of Waukesha County Parks and Land Use. “Visitors will have the opportunity to experience how science impacts our lives and shapes our future through activities, hikes, programs and more.”

Waukesha County staff, Horwitz-DeRemer Planetarium staff, and local clubs will encourage attendees to look ‘Under the Lens’ through programs and hikes for all ages on natural resources, water conservation, recycling, space, Earth science, wildlife, citizen science, sustainability, and more. Visitors will also be able to participate in hands-on table activities throughout the learning center and view the planetarium show. Limited wristbands will be available for a finale special event by Mad Science of Milwaukee at 2:15 p.m. Attendees can pick up wristbands from the Friends of Retzer Nature Center's table, quantities are first come, first served.

Science Fest admission is free thanks to the Friends of Retzer Nature Center's sponsorship. The full event schedule is available below and online at [www.waukeshacounty.gov/sciencefest](http://www.waukeshacounty.gov/sciencefest).

#### About the Department of Parks & Land Use

The Waukesha County Department of Parks & Land Use, working through a combination of collaboration, education and regulation is dedicated to fostering economic development, sound land use, and the protection, enhancement and enjoyment of the County's natural resources and health of its citizens.
