FOR IMMEDIATE RELEASE
Date: Monday June 24, 2024

HIGHWAY CONSTRUCTION PLANNED IN WAUKESHA COUNTY *County Trunk Highway T (Grandview Blvd.)* *Northview Road to I-94*

(WAUKESHA, WI) – Construction is slated to begin on July 8th, 2024, on the Waukesha County Public Works pavement replacement project of Grandview Boulevard from Northview Road to I-94 in the City of Waukesha. Major construction will continue through October. The project will consist of removal and replacement of the asphalt pavement, curb & gutter, traffic signals, as well as intersection and safety improvements. The construction project will be managed by the Wisconsin Department of Transportation (WisDOT).

During construction stages, Grandview Blvd. will be reduced to one lane in each direction, so drivers should expect delays and are encouraged to seek alternative routes. The speed limit will be reduced to 25 mph through the construction zone.
