

PROJECT

BRIEF

April 16, 2021

TEMPORARY WIDENING AND STORM SEWER WORK

Waukesha County is underway with the North Avenue (County M) reconstruction project between Marilyn Drive and 124th Street. The upcoming work is scheduled for the next phase of this project.

Beginning the Week of April 19th:

- Traffic on North Avenue, between Marilyn Drive and 124th Street, is scheduled to be reduced to one lane in each direction, as crews work to widen the roadway
- Daytime flagging operations are scheduled to take place along the corridor
- A temporary four-way stop will be installed at the intersection of North Avenue and Lilly Road through winter 2021
- Short-term intersection closures are scheduled to take place on North Avenue, between East Rockway Lane and 147th Street, and between Tru Lane and Mayfair Drive, as crews work to install storm sewer

Access to businesses and residents will be maintained.

Please note that all work is weather dependent and subject to change.

The project team thanks you for your patience and cooperation throughout this project.
