

TRAFFIC SWITCH UPDATE

As part of Waukesha County's North Avenue (County M) reconstruction project, the upcoming traffic switch, is scheduled for the next phase of the project.

Beginning, Monday, September 28, 2020:

- North Avenue, between Calhoun Road and Marilyn Drive, is scheduled to be shifted to the south, onto the newly paved eastbound lanes, while crews work to construct the westbound lanes.

One lane of traffic will be maintained in each direction.

During this phase, the following intersections are scheduled to be reconstructed at North Avenue:

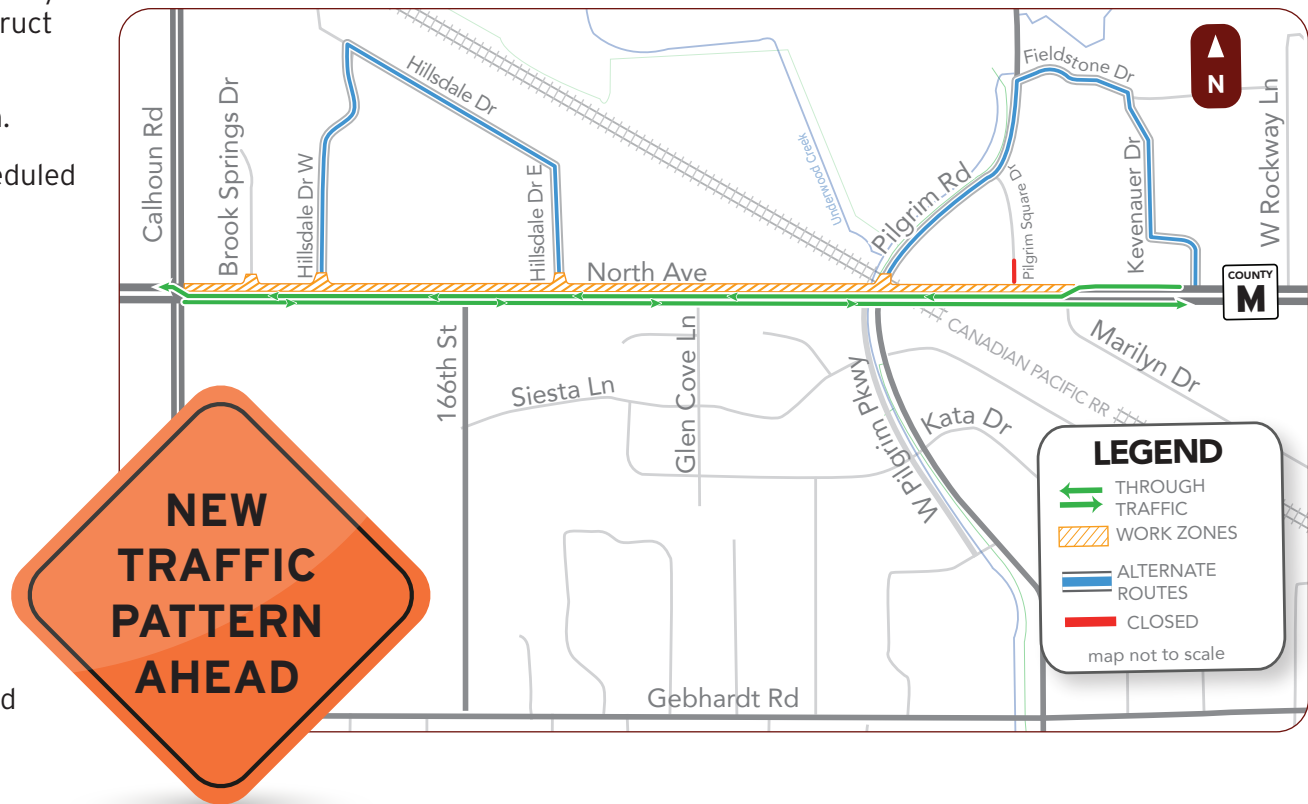

- Brook Springs, Hillsdale West, Hillsdale East, and Pilgrim Square drives, and Pilgrim Road.
- Pilgrim Road and Pilgrim Square Drive will not be closed concurrently.
- Hillsdale East, and Hillsdale West drives will not be closed concurrently.

Alternate Routes:

- > Motorists traveling to and from the above-mentioned side streets, are encouraged to use Hillsdale West, Hillsdale, Hillsdale East, Kevenauer, and Fieldstone drives, and Pilgrim Road to get around closures.

Access to businesses and residents will be maintained.

Please note that all work is weather dependent and subject to change.

The project team thanks you for your patience and understanding throughout this project!
