**** PRESS RELEASE ****

**** FOR IMMEDIATE RELEASE ****

September 28, 2017

On Tuesday July 11th, 2017 the Jefferson County Sheriff's Office received a request to conduct an investigation involving an Officer Involved Death (OID). The deceased was a Randy Engstrom Jr. of Milwaukee. The involved agencies in the OID were Waukesha County Sheriff's Office and the City of Delafield Police Department. The investigation was conducted in accordance with Wisconsin Statute 175.47.

Jefferson County Sheriff Paul Milbrath reports that the review of the investigation was completed by Jefferson County District Attorney Susan Happ. DA Happ determined that Waukesha County Deputy James Soneberg and Delafield Police Officer Daniel Bloedow's use of deadly force was justified and in accordance with Wisconsin State Laws.

On or shortly after October 3rd, 2017 the Jefferson County District Attorney Susan Happ's report on the Officer Involved Shooting will be made available on the Jefferson County Sheriff's Office website.
