Jail Death

On Thursday, June 28, 2018, I was made aware of a death that occurred in the Waukesha County Jail.

At approximately 10:30 a.m., a 63-year-old male from Sussex was found unconscious and not breathing. Life saving measures were attempted by the corrections staff until the City of Waukesha Fire Department arrived. The male subject was later pronounced dead from an apparent suicide.

The male subject was brought into the facility on June 23, 2018 and was being held on cash bail for felony related offences.

I requested the assistance of the Walworth County Sheriff's Office to conduct the investigation.

At this time the matter remains under investigation by the Walworth County Sheriff's Office and we will release more information as we have it.
