Jail Death

On Thursday, August 9, 2018, I was made aware of a death that occurred in the Waukesha County Jail.

At approximately 5:14 p.m., a 60-year-old male from Milwaukee was found unconscious and not breathing. Life saving measures were attempted by the corrections staff until relieved by the City of Waukesha Fire Department. The male subject was later pronounced dead from unknown causes. The male subject was brought into the Waukesha County Jail on August 8, 2018.

I requested the assistance of the Washington County Sheriff's Office to conduct the investigation.

At this time, the matter remains under investigation by the Washington County Sheriff's Office and we will release more information as we have it.
