### **Semi Crash – I/94 West of Calhoun**

On Monday, September 4, 2017 at 0020 hours, the Waukesha County Communications Center received several 911 calls of a semi and passenger vehicle crashed in the area of Calhoun Road. The City of Brookfield Fire Department and the Waukesha County Sheriff's Office responded.

The first arriving squad found there was complete lane blockage, and one vehicle was slightly under the trailer of the semi. The initial investigation indicates the semi and unloaded trailer were traveling eastbound I94, at which point the driver became inattentive.

The semi struck a tow truck and the vehicle he was assisting on the shoulder of I94 eastbound. The semi veered towards the median wall, struck the median wall and crossed over into westbound traffic. A vehicle traveling westbound I94 struck the trailer area and became partially lodged under the trailer. No injuries were reported as a result of the crash.

The driver of the vehicle that struck the trailer was taken into custody for Operating an Automobile While Intoxicated.

Additional assistance was provided by the City of Brookfield Police Department and the Milwaukee County Sheriff's Office for closing I94 at Moorland Road.
