

4-H is a civic educational organization  
developing positive families!

# ALL LEADER Meetings

Engaging our Volunteers  
for a Brighter 4-H Future!

The Leader training meetings are for **ALL** leaders,  
volunteers and parents in Waukesha County 4-H.

We have many new leaders and are seeing many changes across the organization. The purpose of this leadership development training series is to get as many of our leaders together on a regular basis to communicate important announcements and policies, share ideas, build relationships, help each other and work together to improve our program. It is important even for our seasoned leaders to have ongoing refreshers on important information and stay engaged with our activities.

**Who should come? Club Leaders, Project Leaders, Teen Leaders, Committee Members, Activity Leaders, Parents, Grandparents ... ALL 4-H Leaders!**

Great opportunity to Network and share your knowledge and learn! Attendance at all meetings is strongly encouraged and please note, there are new mandatory requirements based on your role in 4-H as a volunteer or leader.
