Join 4-H – About Club Meetings Frequently Asked Questions

When and where are 4-H Club meetings?

Each 4-H Club has its own meeting date and location. Waukesha County has 18 4-H Clubs that meet at different locations throughout the county.

What do 4-H clubs do at meetings?

Club meetings should include group-building activities as well as business and educational programs. There are usually five general things that might happen at a 4-H club meeting; conduct business meetings, recreation or social activities, project work, community service work, and special interest programs. Sometimes the whole meeting is devoted to one thing. Sometimes they have a short business meeting, work on their projects for a while, and then have recreation.

How long are 4-H club meetings?

Most clubs meet between an hour or two per meeting, depending on the club's agenda for the evening.

Who plans the program for the club?

Members of the club. If the club is small, this might be done at a meeting of the whole group. If the club is large, ideas come from everybody and a committee puts together a program.
