

# Neighborhood Empowerment Program (NEP)

## Make a Difference in Your Neighborhood!

UW-Extension's Neighborhood Empowerment Program is for anybody who lives near the heart of Waukesha (walking distance to downtown) that would like to strengthen their neighborhood's ability and innovation to act on important issues and opportunities. This workshop series will include networking opportunities, skill development and a platform for neighbors to explore options to achieve neighborhood goals.

- Sign up here for the [Fall 2018 Neighborhood Empowerment Program](#)
- Download the [informational flyer](#) to learn more about NEP and share it with your neighbors.

## ABOUT THE NEIGHBORHOOD EMPOWERMENT PROGRAM

The Neighborhood Empowerment Program brings together neighbors in the areas around downtown Waukesha from a wide diversity of ages, cultural backgrounds and experiences. This interactive program will take a proactive approach to address shared issues and opportunities that affect neighborhood quality of life, image and improvements.

## Program Overview:

Participants will learn about and apply strategies for:

- Resident engagement
- Strengthening neighborhood connections to build a powerful neighborhood network
- Effective communication techniques with local government
- Developing a more formally organized and recognized association of neighborhoods

**Program Length:** Four Consecutive Wednesdays – September 26, October 3, October 10 & October 17

6:30 PM to 8:00 PM

**Program Location:**

Waukesha State Bank 151 E. St. Paul Ave., Waukesha  
Community Room

**Who Should Attend? Those who:**

- Live in a neighborhood near Downtown Waukesha
- Demonstrate interest and or involvement in building a stronger neighborhood or community
