MUNICIPAL CLERKS IN WAUKESHA COUNTY ENCOURAGE ONLINE REGISTRATION, ABSENTEE VOTING DURING COVID-19 PANDEMIC

(Waukesha, WI) – Voters in Waukesha County are encouraged to take advantage of methods that will allow them to safely register to vote and cast ballots during the COVID-19 pandemic.

Resuming today, online voter registration is once again available, through March 30. Registered voters can also request absentee ballots online, through email, fax, or mail. Although Municipal Clerks are putting social distancing measures in place for in-person voting, online voter registration, remote absentee ballot requests, and mailing in absentee ballots is the safest and best way for voters to protect themselves and others from spreading the COVID-19 virus. Online voter registration and absentee ballot requests are available at <https://myvote.wi.gov/en-us/>.

“The technology and processes are in place for Waukesha County residents to register and vote in the April 7 Spring Election without ever leaving their homes,” said Waukesha County Clerk Meg Wartman. “We know that voters are responding to this, because Waukesha County municipalities have already received over 70,000 requests for absentee ballots. If you have been planning on going to the polls on election day, but have the ability to vote from home, please do so to keep yourself and others safe during this pandemic.”

Voter Registration:
