

## **Project Summary – April 14, 2025**

**CTH BB (Golden Lake Road)  
USH 18 to CTH DR  
Waukesha County  
Project I.D. 25-3780(11)**

### **Project Overview**

The proposed project is a rehabilitation of CTH BB (Golden Lake Road) from USH 18 to CTH DR (Delafield Road) in the Village of Summit. The project length is approximately 2.5 miles. The project will improve the existing asphalt pavement. The project will improve pavement subbase beneath areas of significant deterioration. The project will investigate intersection geometry and operational performance, the addition of wider shoulders, and the addition of centerline and shoulder rumble strips at appropriate locations.

The existing CTH BB roadway has a pavement condition index (PCI) of 46 which is poor condition. The average annual daily traffic (AADT) on this roadway was 1,700 in 2022. A total of 14 crashes have occurred on this roadway over the last five years, including three injury crashes involving vehicles running off the road.

The project is county funded. Design is 2025 through 2026. Construction is anticipated in 2027.

### **Anticipated Schedule**

Design – 2025-2026  
Utility relocation – Spring 2027  
Construction – Summer 2027.
