“

I enjoy working at HHS because of the work/life balance. I have worked for many employers who do not place a great emphasis on self-care. This is my first experience in over 10 years in healthcare that work feels manageable on consistent basis.

- HHS Clinical Supervisor

”

“

I am immensely proud of the work we do here at Health and Human Services. Our team's dedication and the passion demonstrated every day inspire me. I am honored to be part of a workforce that provides exceptional support to our community.

- Elizabeth Aldred, HHS Director

”

ABOUT HHS

MISSION

We enhance quality of life while assuring critical needs are met.

VISION

A connected, resilient community where everyone thrives.

VALUES

Collaboration

We leverage individual and partner strengths to achieve a shared purpose and common goals.

Accountability

We make prudent fiscal decisions, act and respond with integrity, and provide high-quality programs.

Respect

We honor the dignity, culture and diversity of the people with whom we work and serve.

Engaged Workforce

We actively create an environment of transparency, trust, shared responsibility and inclusivity while valuing professional development and work/life balance.

Innovation

We intentionally implement creative solutions that foster meaningful change to best meet the needs of our community and position the department for the future.

Self-Determination

We engage individuals through a strength-based approach to make informed choices that positively impact quality of life.
