### **News Release**

**May 19, 2022**

### **Industrial Accident - Town of Eagle**

On Thursday, May 19, 2022, at 7:44 a.m., The Waukesha County Sheriff's Department was dispatched to an industrial accident at Summerset Marine Construction located at W357 S8715 Chapman Ln in the Town of Eagle.

Once deputies arrived on scene, they immediately began evacuating employees from the area of the business. Deputies had the employees gather at a business south of the location of the fire, so they were out of harm's way. Two employees were transported via ambulance to local hospitals for their injuries. These injuries are not believed to be life-threatening.

Incident fire command and law enforcement were in communication with staff at the Eagle Elementary School. For precautionary measures, the students at Eagle Elementary School were evacuated due to the school's proximity to Summerset Marine Construction. The Waukesha County Sheriff's Department was able to assist school staff with the evacuation as students were transported via buses to Palmyra-Eagle Highschool where they could be reunified with their families. Fire command has determined there are no longer any safety concerns for Eagle Elementary School or the Eagle community.

The Waukesha County Sheriff's Department would like to thank all the Fire Departments and Law Enforcement Departments that assisted along with the citizens and local business owners for their extreme generosity during this difficult incident.

This incident remains under investigation by the Waukesha County Sheriff's Office, the Wisconsin Department of Criminal Investigations, Occupational Safety and Health Administration and the Kettle Moraine Fire District.
