Re: **Public Involvement Meeting**

Project ID 2761-05-01

County KE & E Intersection

Village of Hartland, Town of Delafield

Waukesha County

A public involvement meeting on April 23, 2026, from 4:30 to 6:30 PM, is planned to discuss proposed improvements to County KE and County E intersection in the village of Hartland and the town of Delafield, Waukesha County.

See the enclosed handout for information on participating in the public involvement meeting for this project. Project updates and summaries, including closure schedules will be posted on Waukesha County's project website as information becomes available at: <https://www.waukeshacounty.gov/public-works/road-projects-and-closures/cth-ke-and-cth-k-intersection/>

The purpose of the proposed project is to address operational and safety concerns at the County KE and County E intersection. The proposed improvements would consist of replacing the all-way stop-controlled intersection with a roundabout.

The improvement project is currently scheduled for 2028. The project will begin in early summer of 2028 and is expected to be completed before school resumes.

County KE and County E intersection will be closed to through traffic during construction. Local access will be maintained to all properties. A signed detour route will be provided.

We encourage you to participate in the public meeting. The enclosed handout and presentation provide directions on how to provide project input.

If you are unable to access the information provided in the link above, or would like more information, contact design consultant Jed Munroe at (608) 204-0909. Written comments regarding the project can be mailed to Jed Munroe, JT Engineering, 281 W Netherwood Rd, Ste 1, Oregon, WI 53575 or emailed to [jedm@jt-engineering.com](mailto:jedm@jt-engineering.com). **Please provide comments by May 24, 2026.**

The meeting facility is wheelchair accessible. Deaf, hard-of-hearing, deaf-blind, and speech-disabled persons should contact the Wisconsin Relay Service by dialing 711. To allow time to arrange for accommodations needed to participate, please contact me no later than three working days prior to the meeting.
