NO FEE PERMIT APPLICATION FOR AGRICULTURAL COMMERCIAL VEHICLES (Ag CMV) – State Wisconsin Department of Transportation MV2579 11/2014

PART A

FART A

Permit must be carried in the vehicle authorized and produced in either printed or electronic format according

Please provide information on operation of vehicle or vehicle combination that exceed:

- 1. Weight Limits:
 - a. Axle Weight Limits. s.348.15(3)(g), Wis. Stats.

OR

to s.348.28(1)(b), Wis. Stats.

- b. Gross Vehicle or Vehicle Combination Weight limitations. <u>s.348.15(3)(g), Wis. Stats.</u>
 OR
- 2. Length Limits:
 - a. An Ag CMV (single vehicle) may not exceed 45 feet in length, OR
 - b. An Ag CMV (two-vehicle combination) may not exceed 70 feet in length, OR
 - c. An Ag CMV (three-vehicle combination or train or a truck-drawn agricultural train) driven at a speed of 25 miles or less may not exceed 100 feet in length. If an Ag CMV train is driven at a speed of over 25 miles per hour, it may not exceed 70 feet in length. s.348.08 (1) (d), Wis. Stats.
 - d. Except no overall length limitation when operated on a designated highway per Trans 276.07, Wisconsin Administrative Code (WAC) and 65 feet highways listed in Trans 276.05, WAC

Submit completed form MV2579 to the Department of Transportation for operation on State and US highways on which you wish to operate. Listings and contact information (email, fax and mailing addresses) is available at: www.wisconsindot.gov/business/ag/permits.htm.

Requests for Amendments are Limited to Section 1.	
☐ Amendment to an issued permit. This application is an a	amendment to permit number:
The maintaining authority reviews all applications and amendments amendments to a permit applicant's name, address, or contact information the listing or map of highways traveled, those changes may be made	mation. If a change to the applicant's address requires a change to
Note: No overweight permit is required for an Ag CMV as descri repair of Ag CMV by dealer or farmer within 75-mile radius.	bed in s.340.01(1o), Wis. Stats. traveling for delivery, service or
SECTION 1	
Applicant Name and Business Name (enter name of individual or company of	owner or lessee operating the vehicle)
Contact Name	(Area Code) Telephone Number
Street Address	Email Address
City, State, ZIP Code	County

SECTION 2 - Routes

Enter the Road(s) Requested (example: Origin, west on Hwy. 14, north on Hwy. 78. Route 2: Origin, west on Hwy. 14, north on Hwy. 130). Alternatively, please attach a map of the requested roads to be used when operating overweight or over length equipment:
