Dear Joe:

Please accept this letter as confirmation that Waukesha County agrees transfer jurisdiction of an 8-mile segment of snowmobile trail corridor number 9 that runs through Jefferson County for the 2017-2018 snowmobile operation season. The number 9 Trail Corridor runs from north to south through the Towns of Ixonia and Concord. Lake LaBelle Cooney Riders have established a 4.5-mile in the Town of Ixonia and 3.5 miles in the Town of Concord ending at Highway DR (the "Ixonia-Concord Trail Segment") (see attached map).

State funded snowmobile trails need to be designated for use by snowmobile operators by the governmental agency having jurisdiction. Currently, the Lake LaBelle Cooney Riders established, maintain and insure the Ixonia-Concord Trail Segment and will receive their 2016-17 funding through the Waukesha County Snowmobile Association. The Waukesha County Snowmobile Association will work cooperatively with Jefferson County for the 2017-18 snowmobile season.

For the 2016-2017 season, and with Jefferson County's permission, Waukesha County will fund the Ixonia-Concord Trail Segment with the Waukesha County Snowmobile Association. In 2017 Waukesha County will deduct 8-miles of State trail funding and Jefferson County will add 8-miles to your State trail funding request. Please know, Waukesha County Snowmobile Association has always been very professional in their management and operation of their trail grooming operations.

If you are in agreement with this transfer, please respond to me in writing and copy Ann Loechler, Faith Murray and Catherine Burrow, all with the State of Wisconsin to complete this agreement.
