Mission Statement

The mission of the Waukesha County OWI Treatment Court (OTC) is to protect the public by reducing recidivism among individuals convicted of OWIs through intensive court supervision and treatment.

Program Information

The presiding OWI Treatment Court Judge is Judge Jack A. Pitzo.

Court is held every Thursday from 2:00 P.M. to 4:30 P.M. in courtroom 2-1100 unless otherwise noted. **You must stay for the entire court session unless excused!**

The OWITC Team also consists of members from the following agencies:

- The Public Defenders are Amanda Nimmer and Steve Hughes.
- The District Attorney is Lesli Boese and the Assistant District Attorney is Alyssa Jay.
- The Diversion Coordinator at the DA's office is Abigail Lynch.
- The Department of Correction Agent is Sara Castillo.
- The Waukesha HHS Treatment Provider is Leah Matthews.
- The Treatment Court Coordinator/WCS Program Manager is Denise Rawski.
- Your Case Manager is Viktoria Feely.

WCS staff contact information is:

Office Phone Number: (262) 544-4600 *Please use during office hours*

Drug Testing Line: (414) 921-0409 and (866) 207-2911

PBT Testing ID #: _____

Drug Testing ID#: _____

Cell Phone Numbers: (262) 993-1796 (Viktoria)
(262) 424-6399 (Denise)

Fax Number: (262) 544-9456

WCS Address: 414 W. Moreland Blvd. Room 200
Waukesha, WI 53188

Email Addresses: Viktoria Feely - vfeely@wiscs.org
Denise Rawski – drawski@wiscs.org

WCS Office Hours: 7:00 A.M. to 6:00 P.M. – Monday thru Thursday
7:00 A.M. to 4:00 P.M. – Friday
7:00 A.M. to 9:30 A.M. – Saturday

PBT Testing Times: Monday through Saturday at WCS - 7:00 A.M. to 9:30 A.M.
Sundays & Holidays at a local police department between 4:00 A.M. to 9:30 A.M.

WCS Drug Testing Hours: Monday through Friday - 7:00 A.M. to 5:00 P.M.
Saturdays - 7:00 A.M. to 9:30 A.M.
Sundays and Holidays – PBT must be done at a local police department between 4:00 A.M. and 9:30 A.M.

*If you are required to submit drug screens, please be in one hour **before** our office closes. You will be provided one opportunity to provide a specimen **no later** than ½ hour before our office closes*

Absences: Only you, and **NOT** a family member, are required to call your case manager if you are unable to attend your treatment sessions, meetings with your case manager, or court sessions. Any reasons for a missed appointment will be discussed with the OWI Treatment Court Team and, if deemed necessary, a sanction will be imposed. You must notify your case manager **24 hours in advance** if you need to reschedule your appointment or adjust your SCRAM CAM schedule. Failure to do so may also result in a sanction.

Introduction

In 2006, Waukesha County implemented the OWI Treatment Court (OTC) Program for people with alcohol and other drug dependencies. The OTC Program was created in response to the serious community problem of operating while intoxicated by repeat drunk drivers. As of June 2025, there are 71 active Drug and OWI Courts in Wisconsin.

The Waukesha County OWI Treatment Court offers its participants the opportunity to break the cycle of impaired driving, to improve their chance of a sober and healthy life, and to contribute to a safe community while under strict judicial and community supervision.

This program's multifaceted approach utilizes a team-approach concept made up of the Judge, OTC Case Manager, OTC Coordinator/Program Manager, Defense Attorney, District Attorney, Diversion Coordinator, Department of Correction Agents, and Waukesha Health and Human Services (WHHS) Treatment Professional. It is a five-phase program, and the intensity of services decrease as participants progress through the program.

In each phase, participants must comply with routine court appearances, case management and probation appointments – including office and home visits, treatment requirements, self-help meetings, and random alcohol and drug testing. Intensive case management is critical to support and monitor participants so that they can achieve their goals.

Treatment for participants consists of an assessment and treatment planning, individual and/or group counseling for identified needs, regular attendance at community self-help support meetings, and assistance with education, life skills, parenting, financial and employment issues.

Positive reinforcement is provided for compliance in the program. Sanctions and therapeutic adjustments and interventions are imposed for program non-compliance.

The length of stay in the program is dependent on each participant's progress as they move through the five phases. Participants are typically in the program for 12-18 months depending on how you progress through the phases. Graduation is dependent on the participant's treatment needs and compliance with program requirements.

Participation in the program requires payment of a program fee. The fee will be assessed by Waukesha County based on ability to pay. WCS case managers will provide newly admitted participants with information which directs them to send relevant financial information to Waukesha County to assess the appropriate fee. **You must be assessed a program fee in order to advance to Phase III, and you must pay a minimum of \$25 per month until then.** Participants will receive a monthly invoice from Waukesha County to submit monthly payments through the mail directly to Waukesha County. The OWI Treatment Court Team will monitor compliance with the program fees. Failure to comply with the monthly program fee may result in termination from the program and a referral to Waukesha County Collections. Program participants will not be allowed to graduate unless their program fee is paid in full.

WAUKESHA COUNTY OWI TREATMENT COURT

TEAM MEMBERS

The team consists of the Judge, OWI Treatment Court Coordinator/WCS Program Manager, WCS Case Manager, Defense Attorney, District Attorney and Diversion Coordinator, Department of Corrections and Treatment Provider. Prior to weekly court sessions, the team reviews the progress of those participants scheduled to appear in court that week. WCS prepares staffing reports detailing the progress of participants in the program. The team strives to reach consensus whenever possible. The Judge, however, has the final authority on case management issues.

THE JUDGE

The Judge plays a continuous role in reviewing treatment progress. The Judge responds to each participant's positive efforts and noncompliant behavior.

- a. The Judge presides over the OWI Treatment Court sessions and staffings.
- b. The Judge meets weekly with the OWI Treatment Court Team and is actively involved in determining appropriate sanctions and incentives.

CASE MANAGER

The case manager's role is to oversee the participant's recovery and treatment program, and is the link between the Court, the participant, and the treatment provider.

The case manager is responsible for:

- monitoring and encouraging participants during their program
- maintaining participant information
- providing the Court with current information about each individual's progress

The case manager also has specific responsibilities in the following areas:

- a. **OWI Treatment Court Team Staffings:** The case manager is a member of the OWI Treatment Court Team and is responsible for the preparation of staffing reports for review at the team staffings. In addition, the case manager may, at anytime, provide information concerning any participant to the OWI Treatment Court Judge and/or team on a formal or informal basis; provided the necessary waivers have been signed by the participant and the content of the communication is made known to the participant.
- b. **Referrals:** The case manager refers OWI Treatment Court participants to providers for substance use disorder treatment and other services, as determined in the case plan developed by the case manager and approved by the Court. The case manager maintains close contact with the treatment provider and monitors the services received by the participant.
- c. **Case Management:** The case manager periodically assesses the progress of each participant and the participant's adherence to the requirements of the OWI Treatment Court and their approved case plan. They update the case plan at each phase change, or as needed, and make recommendations to the Team for appropriate changes.

- d. **Other Direct Services:** The case manager ensures participants are linked to services within Waukesha County on an as-needed basis, including, but not limited to family counseling, financial assistance, education, group counseling and other activities as may be reasonably appropriate to maintain a participant in the OWI Treatment Court Program.
- e. **Participant Documentation:** The case manager maintains a written record on each participant.

DEFENSE ATTORNEY

An attorney from the State Public Defender will attend all treatment court staffings that occur prior to each treatment court session, as well as the court sessions. These attorneys are team members and do not represent you individually. They will not give you legal advice specific to your case. You are entitled to have your own attorney present at staffings and court, though most people do not. You are encouraged to retain counsel or obtain an attorney through the State Public Defender's Office if you choose to contest a sanction or the State moves for an Order to Show Cause or Discharge hearing. That attorney would be allowed to attend staffing to advocate on your behalf.

DISTRICT ATTORNEY

A representative of the District Attorney's Office attends all treatment court staffings that occur prior to each treatment court session, as well as the court sessions. The District Attorney's Office, along with their Diversion Coordinator, makes the initial eligibility determination of each participant through their evidenced-based risk/need assessment tools.

TREATMENT PROVIDER

The treatment provider on the team attends all treatment court staffings and court sessions. The treatment provider has the primary responsibility for educating the treatment court team and participants and helping them address their substance use issues. They are responsible for ensuring that all participants are assessed for their treatment needs and that appropriate treatment recommendations are made and followed.

DEPARTMENT OF CORRECTIONS

A representative from the Department of Corrections who supervises program participants, attends staffings, and provides information regarding program compliance.

PHASE 1

ACUTE STABILIZATION AND ORIENTATION

EXPECTATIONS OF PHASE I

Length of Phase dependent on completion of phase goals (approximately 30-60 days)

Weekly Court sessions
Weekly appointments with Case Manager
Weekly appointments with DOC Agent
Substance Use Disorder (SUD) and mental health assessment
Enroll in recommended treatment
Attend one Treatment Court Alumni meeting in Phase I
Develop supervision case plan with Case Manager
Random alcohol AND drug testing and PBTs
SCRAM CAM w/house arrest
Assess housing and transportation needs
Begin to define the qualities you seek in a sponsor/mentor

PHASE ADVANCEMENT REQUIREMENTS

Substance Use Disorder (SUD) and mental health assessment
Enroll in recommended treatment
Attend one Treatment Court Alumni meeting during Phase I
Attend orientation with Peer Support/Mentor
Comply with supervision requirements
Random alcohol AND drug testing and PBTs
SCRAM CAM w/house arrest
Develop transportation plan
Acquire safe and stable housing
Provide completed medication verification forms
Handbook Quiz
Complete Phase 1 supervision case plan goals

PHASE 2 PSYCHOSOCIAL STABILIZATION

EXPECTATIONS OF PHASE II

Length of Phase dependent on completion of phase goals (approximately 90 days)

Weekly Court sessions

Weekly appointments with Case Manager

Weekly/biweekly appointments with DOC Agent

Develop treatment plan; attend and engage in recommended treatment

Attend one Treatment Court Alumni meeting per month

Attend and provide verification of one self-help meeting per week

Review and update coordinated case plans

Random alcohol AND drug testing and PBTs

SCRAM CAM, as required

Acquire safe and stable housing

Assess recovery capital

Begin to identify a potential sponsor/mentor

PHASE ADVANCEMENT REQUIREMENTS

Develop treatment plan; attend and engage in recommended treatment

Attend one Treatment Court Alumni meeting per month

Attend and provide verification of one self-help meeting per week

Comply with supervision requirements

Random alcohol AND drug testing and PBTs

Referral made for Thinking For a Change (T4C)

Check status of Driver's License

Driver Safety Plan Assessment (if required by team)

Acquire safe and stable housing

Complete Autobiography

Attend one Victim Impact Panel (or write a podcast reflection)

Recovery Capital Assessment

Complete Phase II supervision case plan goals

PHASE 3

PRO-SOCIAL HABILITATION

EXPECTATIONS OF PHASE III

Length of Phase dependent on completion of phase goals (approximately 90-120 days)

- Biweekly Court sessions
- Biweekly appointments with Case Manager and DOC Agent
- Attend and engage in recommended treatment
- Attend one Treatment Court Alumni meeting per month
- Attend and provide verification of two self-help meetings per week
- Review and update coordinated case plans
- Random alcohol AND drug testing and PBTs
- Maintain safe and stable housing
- Address recovery capital needs
- Attend and Participate in Thinking For a Change (T4C)
- Obtain sponsor/mentor

PHASE ADVANCEMENT REQUIREMENTS

- Attend and engage in recommended treatment
- Attend one Treatment Court Alumni meeting per month
- Attend and provide verification of two self-help meetings per week
- Comply with supervision requirements
- Random alcohol AND drug testing and PBTs
- Attend Thinking For a Change (T4C)
- Develop plan to obtain a valid Driver's License (if applicable)
- Maintain safe and stable housing
- Begin to engage in employment, school, or other regular productive activities
- Attend one Victim Impact Panel (or write a podcast reflection)
- Address Recovery Capital Needs
- Create Budget Plan, Make payments for restitution, fines and fees
- Obtain and establish relationship with a sponsor/mentor
- Complete Phase III supervision case plan goals

PHASE 4

ADAPTIVE LIFE SKILLS

EXPECTATIONS OF PHASE IV

Length of Phase dependent on completion of phase goals (approximately 90-180 days)

Court sessions every four weeks
Biweekly appointments with Case Manager and DOC Agent
Attend and engage in recommended treatment
Attend one Treatment Court Alumni meeting per month
Attend and provide verification of two self-help meetings per week
Review and update coordinated case plans
Random alcohol AND drug testing and PBTs
Maintain sober housing
Address recovery capital needs
Attend and Participate in Thinking For a Change (T4C)
Weekly contact with sponsor/mentor

PHASE ADVANCEMENT REQUIREMENTS

Attend and engage in recommended treatment
Attend one Treatment Court Alumni meeting per month
Attend and provide verification of two self-help meetings per week
Comply with supervision requirements
Random alcohol AND drug testing and PBTs
Attend Thinking For a Change (T4C)
Obtain valid Driver's License (if applicable)
Maintain sober housing
Engage in employment, school, or other regular productive activities
Attend one Victim Impact Panel (or write a podcast reflection)
Address Recovery Capital Needs
Make payments for restitution, fines and fees
Weekly contact with a sponsor/mentor
Complete Phase IV supervision case plan goals

PHASE 5

RECOVERY MANAGEMENT

EXPECTATIONS OF PHASE V

Length of Phase dependent on completion of phase goals (approximately 90 days)

- Court sessions every four weeks
- Meet with Case Manager every four weeks
- Meet with DOC Agent 1-2x per month
- Attend and engage in recommended treatment
- Attend one Treatment Court Alumni meeting per month
- Attend and provide verification of two self-help meetings per week
- Review and update coordinated case plans
- Random alcohol AND drug testing and PBTs
- Complete Relapse Prevention Plan within the first 30 days of Phase V
- Address recovery capital needs
- Attend and Participate in Thinking For a Change (T4C)
- Weekly contact with sponsor/mentor

GRADUATION REQUIREMENTS

- Attend and engage in recommended treatment
- Attend one Treatment Court Alumni meeting per month
- Attend and provide verification of two self-help meetings per week
- Comply with supervision requirements
- Random alcohol AND drug testing and PBTs
- Complete Thinking For a Change (T4C)
- Complete Relapse Prevention Plan within the first 30 days of Phase V
- Maintain safe, sober housing
- Engage in employment, school, or other regular productive activities
- Attend one Victim Impact Panel (or write a podcast reflection)
- Address Recovery Capital Needs
- Pay off all restitution, fines and fees before graduation
- Weekly contact with a sponsor/mentor
- Complete Phase V supervision case plan goals

Waukesha County OWI Treatment Court

Phase I Contract

In addition to the rules listed previously, you will also be required to:

1. Report to your case manager's office, in person, at least once per week, or as directed. Develop a case plan and complete Phase I goals.
2. Report to your probation agent's office in person, at least once per week, or as directed.
3. Comply with SCRAM CAM and SCRAMx requirements. (See page 18)
4. Within two weeks of admission, participate in a comprehensive treatment assessment with an approved provider or provide verification of a completed substance use and mental health assessment if this was completed within 3 months prior to the start of the OWI Treatment Court Program admission. Follow all treatment recommendations.
5. Submit to random drug and alcohol testing, including SCRAM CAM, or as directed by your case manager and/or treatment provider. (See page 23 for the procedure)
6. Attend OWI Treatment Court weekly. **You are required to stay until the end of each court session!**
7. Attend an orientation with a WCS Peer Support Specialist during Phase I.
8. Attend **one** Treatment Court Alumni meeting during Phase I.
9. Recalibrate IID every 60 days (monthly if you do not have the camera version).
10. Comply with your Driver's Safety Plan.
11. Provide completed medication verification form. (See page 26)
12. Assess housing and transportation needs and acquire safe and stable housing.
13. Complete Handbook Quiz.
14. Complete Application for Advancement.
15. Participant must stay current with financial obligations and be assessed a monthly program fee by the end of Phase II, including but not limited to monthly program participation fee, SCRAM fees, and OWI fine payment plan. You must also pay a minimum of \$25 per month toward your program fee.

I understand and agree to abide by all conditions and rules of the Phase I Contract. Any violation of these conditions may result in sanctions, incarceration, or expulsion from the program.

I understand I will be required to serve the minimum mandatory jail sentence. I may be eligible to serve this in the Waukesha County Jail, or be placed on electronic monitoring or SCRAM, as determined by the Treatment Court Judge.

SCRAM CAM Rules

The MAXIMUM time you may be allowed out is no more than 12 hours per day - this includes travel time. Schedules must be arranged and approved with WCS staff ONE specific day each week. Changes to your schedule should be kept to a minimum with at least 24 hours' notice.

Release Privileges:

- Self-help meetings (AA, NA, CA, Celebrate Recovery, SMART Recovery)
- Substance use and mental health treatment
- Doctor's appointments – must provide letter confirming appointment day and time on company letterhead.
- Work - must provide work schedule and pay stubs indicating hours worked
- Appointments with Probation/Parole Agent
- Elder care - letter from doctor must be submitted indicating the name of individual in need of care and documenting the need for care, along with the address where the elder care will take place.
- Child Care
- Shopping/errands - must provide all receipts
- Church - must provide bulletin
- Work Search – must provide applications and/or business cards
- Release for Education, including high school/college/vocational school. Submission of school schedule (official document from the educational institution) is required.
- Drug Testing at WCS.
- WCS appointments and court appearances

Any other requests must have prior approval from the OWI Treatment Court Team and the Judge. Failure to follow any of the above rules may cause suspension or revocation of privileges.

Release restrictions:

- Participants must request any change in their schedules with at least 24-hour notice.
- All changes must be approved by staff.
- Participants are not permitted out for more than 12 hours per day, seven days per week.
- Participants must be reachable by telephone during scheduled hours at the approved work site, childcare site, or other destination.
- Approval for release on holidays or any extracurricular events must be granted in advance.

Travel:

- Participants are required to take the most direct route to and from their destination with no unauthorized stops and within the allotted travel time.

Overtime:

- When overtime is required, the participant must obtain permission from case manager, with 24 hours notice.
- Participants must also provide, on company letterhead, written notification signed by a supervisor listing when work was completed. If overtime is scheduled for a future date, a letter from the employer on company letterhead must be submitted in advance for staff approval

COMMENCEMENT REQUIREMENTS

Participants will graduate from the program (and not be subject to any further jail sentence or sanctions for this offense) if the following requirements are met:

1. **NO positive urinalyses and/or breath tests within a minimum of three months of commencement.**
 - a. If the participant has a positive urinalyses and/or breath test within three - six months of anticipated graduation date, contract will be extended for three - six months from date of positive urinalysis and/or breath test. Participant must have three - six months of sobriety in order to graduate (with at least three months of consecutive unassisted sobriety).
2. **NO missed urinalysis and/or breath test within a minimum of three months of commencement.**
 - a. First missed urinalysis and/or breath test during last three - six months of contract may extend contract a minimum of one week. Second or subsequent missed urinalyses and/or breath test during last three - six months of contract may extend contract for a minimum of two months from date of missed urinalysis and/or breath test.
3. **NO missed court dates, treatment sessions, or case management appointments within three- six months of commencement.**
 - a. The Court reserves discretion to deny graduation and extend the contract if a miss occurs within three - six months of graduation.
4. **Complete all five phases of the program.**
5. **Complete a Relapse Prevention Plan.**
6. **Pay all financial obligations associated with the offenses one week prior to graduation.**
 - a. i.e. program participation fees, SCRAM fees, fines, court costs, attorney fees, Huber fees, and treatment and assessment costs.
7. **Complete graduation application subject to approval of treatment court team.**

Waukesha County OWI Treatment Court Rules

1. Do not possess or consume any alcohol or drugs. This includes “non-alcoholic” beer, foods cooked with alcohol, CBD products and derivatives, and drugs not prescribed to you.
2. NO driving/operating any vehicle without a valid driver’s license. You are responsible for all IID readings, including any positive readings. They will be assumed to be yours. You are also required to get your IID recalibrated **every 60 days**. (monthly if you do not have the camera version).
3. You **must** be a Waukesha County resident throughout your **entire** participation in the program. All participants will be required to provide proof of residency prior to admission.
4. You shall not enter or frequent any establishment whose primary function is the sale/service of alcohol, including bars, taverns and liquor stores without prior approval by the OWI Treatment Court team.
5. Meet with your case manager as directed and attend all scheduled court sessions.
6. Your case manager can request an immediate urinalysis/breathalyzer at anytime.
7. Attend and engage with all treatment requirements and recommendations, including any treatment recommendations as well as weekly attendance at self-help meetings. Attend **one** OTC Alumni meeting per month, starting in Phase II.
8. NO use of any medications containing alcohol (i.e. Nyquil and liquid cough medications) or any mouthwashes containing alcohol (i.e. Listerine). Make sure to read labels prior to use. It is your responsibility to be certain that the products you are using do not contain alcohol. Ignorance is not an excuse.
9. Report ALL medications you use to your case manager (including over-the-counter products). You need to report when you are prescribed a new medication, when you get your prescriptions refilled and when you stop taking a medication. You must provide the actual medication prescription bottle for counting and verification and sign releases for your case manager to contact your prescribing physicians, dentists and pharmacies. In addition, a prescribed medication form **MUST** be filled out by the prescribing physician prior to or at the time a controlled substance medication is prescribed to you (bring the form to all appointments/procedures/ER/Urgent Care visits-see page 26).
10. Report police contact of **any** kind and follow all probation/parole rules if applicable.
11. Submit work information to be verified by case manager.
12. Attend all required court hearings on time and maintain appropriate court etiquette. This rule applies to Zoom appearances as well.
13. OTC participants must seek permission from the OWI Treatment Court Team **prior** to making plans to leave town. A Request to Travel form must be submitted at least two weeks before travel. (See page 33 for rules regarding alternative testing while out of town)

14. Comply with the Drug/Alcohol Testing Rules and Procedures.
15. Before graduation, participants must hold or obtain full-time employment, and/or be enrolled in full or part-time school.
16. You cannot work at a bar or restaurant that serves alcohol without the treatment court team's approval. An establishment whose primary purpose is to serve alcohol will automatically be denied, and you cannot work in the capacity of a bartender or bar back. Other establishments and positions will be considered on a case-by-case basis. Approval is conditional and can be denied at any point if concerns or program violations arise.
17. You shall obtain permission from the OTC team and your agent prior to purchasing, possessing, owning or carrying a firearm. A participant may not be granted permission to possess a firearm if prohibited under federal or state law.
18. Participants must disclose their means of support and may be required to develop a budget detailing their monthly income. This could result in a change in the monthly program fee.
19. Participants must stay current with financial obligations, including but not limited to, monthly program participation fee, SCRAM fees, and OWI fine payment plan.
20. Promotion applications should be submitted once the participant has completed all phase requirements and case plan goals for the phase. Promotions will be approved by the team one week before promotion occurs. It should be noted that participants will not be promoted if they're in violation status or if the treatment court team has not approved their promotion application.
21. Participants are prohibited from using Large Language Model AI applications such as Grock, Chat GPT, Proofread, Perplexity, Claude, Co-Pilot, etc. to generate any written submission required by the Treatment Court Team, including autobiography, essays, etc.

(CASE MANAGER SIGNATURE)

(DATE)

YOUR CASE MANAGER NEEDS TO KNOW

1. **Alcohol or Drug Use:** *Any* use of alcohol and/or drugs needs to be self-reported to your case manager as soon as it occurs. Failure to disclose use prior to drug testing will be considered dishonesty and may result in additional sanctions.
2. **Occupational License:** Inform case manager when your occupational license is obtained and what Ignition Interlock Device (IID) company you use. You should also inform staff of your driving hours and any issues you encounter, including failed tests and lockouts.
3. **Police Contact:** *All* police contact, including traffic stops, needs to be reported to your probation agent and case manager, as soon as possible.
4. **Employment:** *Any* change of employment status needs to be reported to your case manager.
5. **Money Management:** *Any* debt, fines, court costs (i.e. SCRAM, restitution, child support, probation supervision fees, etc) or other financial problems need to be reported.
6. **Personal Relationships:** *Any* relationship issues that may affect treatment need to be discussed.
7. **Health:** *Any* physical health or mental health issues that may affect treatment need to be discussed.
8. **Prescription Medication:** Report ALL medications you use to your case manager (including over-the-counter products). You need to report when you are prescribed a new medication, when you get your prescriptions refilled and when you stop taking a medication. You must provide the actual medication prescription bottle for counting and verification and sign releases for your case manager to contact your prescribing physicians, dentists and pharmacies. In addition, a prescribed medication form MUST be filled out by the prescribing physician prior to or at the time a controlled substance medication is prescribed to you (bring the form to all appointments/procedures/ER/Urgent Care visits-see page 26).
9. **Residency:** *Any* change in address, phone number (change or disconnection) or living arrangements; including roommates; needs to be reported.

Drug/Alcohol Testing Rules and Procedure

While you are in the program, you will be assigned two ID numbers that will tell you when to report for testing. Listed below are instructions for urinalysis (UA) collection and Preliminary Breath Tests (PBT). Through cooperation with this program, you can help yourself by proving that you are drug and alcohol free.

You must check the testing line for PBTs every single day (including Sundays and Holidays)

You must check the testing line for UAs (drug screens) Monday-Saturday

Testing lines numbers: (414) 921-0409 and (866) 207-2911 or www.mycallin.com

PBT ID #: _____ Drug Testing (UA) ID #: _____

PBT Procedure:

1. Call the testing line or log in, each day after **4:00 A.M.** to find out if you are required to report for testing.
2. If you hear “You are required to test today”, report for PBT testing by 9:30am Monday through Sunday.
3. If you hear “Do not test today”, you do not need to report for testing.
4. Follow the same procedure daily.

Drug Testing Procedure:

1. Call the testing line or log in, each day after **4:00 A.M.** to find out if you are required to report for testing.
2. If you hear “You are required to test today”, report to WCS one hour before the office closes. You will be provided one opportunity to provide a specimen **no later** than ½ hour before our offices closes.
Monday-Thursday test by 5:00pm; Friday test by 3:00pm; Saturday test by 9:30am
3. If you hear “Do not test today”, you do not need to report for testing.
4. Follow the same procedure Monday through Saturday.

Rules:

1. You may be called upon to submit to a PBT or UA at anytime, 24 hours a day, seven days a week.
2. PBT’s will be conducted each time you are in the office. Your case manager will not test you unless your mouth is empty. If you have gum, cough drops, chewing tobacco, etc., you will be instructed to wait 10 minutes before testing.
3. Be prepared to provide a urine specimen **EVERY** time you come to the office.

4. **DO NOT** use Nyquil, Listerine, or any other products containing alcohol. Use of such products may result in a positive PBT. This **WILL BE** deemed a failed test.

Positive Drug Tests: WCS offers the opportunity for participants to challenge the results of positive drug tests through a confirmation process. WCS adheres to strict chain of custody protocols to ensure the integrity of all samples collected and sent out for further testing. *The cost of the confirmation test is borne by the participant.*

Testing at Local Police Departments:

The OWI Treatment Court works with various local police departments to provide you with other, more convenient, options for PBT testing. You can choose to use a local police department for testing on days you are required to test. Below are the rules for participants choosing to take advantage of this option.

1. Prior to testing at a local police department, you **MUST** get approval and inform your case manager.
2. If approved, you must call ahead to be sure you can test at a specific police department or WCS. You may not select another testing location without prior approval. **PBT testing sheets must be submitted via text/email to your case manager by 9:30am on day of testing.**
3. Testing at the local police departments is a privilege and can be taken away at any time for non-compliance or for not following protocol.
4. All original PBT verification slips must be submitted at your regularly scheduled office appointment and/or court session.

Testing while out of town:

The OWI Treatment Court is, at minimum, a year long program. The team understands that you may need to travel out of town while in the program. As stated in the rules of the program, you are **required** to seek permission from the team two weeks **prior** to making plans to leave town. If approved, you are required to follow the alternative testing protocol the team deems appropriate.

1. SCRAM or Remote Breath
2. Testing at the local police department
 - Contact a police department near where you are planning to travel and get their approval.
 - If approved, inform your case manager and provide them with the contact information for the police department you will be using. This should include the address, phone number, and fax number; as well as the name of the person you got permission from.
 - You will be required to maintain program requirements while on travel.
 - You may be required to attend self-help meetings while traveling.

****** If the participant intends to obtain a secondary validity test on their own, the participant should contact WCS as to an approved testing facility. Under no circumstances will secondary testing for hair or fingernail testing be permitted.

MISSED UA/PBT POLICY

I _____ understand that in order for my case managers to effectively monitor my sobriety, I must appear for all required screens including random calls, “ordered in” drug screen requests by my case managers, and random PBT’s at my local police department. If you should miss a test, the expectation is you should report the following business day before 9:30am for a drug screen. If I miss more than three consecutive (unexcused) UAs or PBTs in 30 days, I understand that my sobriety date will be reset.

UA TAMPERING POLICY

Tampering with urine or interfering with drug testing, including ingesting substances in an attempt to alter the result, putting something in the urine, providing a sample that is not urine or not from the person being tested or in any other manner is a very serious violation.

I _____ understand that if I am caught tampering with a drug screen, I am subject to AUTOMATIC discharge from the OWI Treatment Program.

**WAUKESHA COUNTY OWI TREATMENT COURT
PRESCRIBED MEDICATION FORM**

I am a participant in the Waukesha County OWI Court Treatment Program. As such, I am in recovery and not permitted to use any controlled substances or alcohol, unless medically necessary and that I do so pursuant to the orders of a physician. Before giving or prescribing me a controlled substance, please review and consider the following:

Make every effort to treat me without giving or prescribing me medications with high abuse potential. Should I be on such medication, my progress may be furloughed until I am free of any such medications.

Please complete the form below for the court stating that I have disclosed my substance use problem. I have a history of misusing _____.

Patient Name: _____

Date of Visit: _____

Medication Prescribed: _____

Dosage and Frequency: _____

By completing and signing this form, I, the physician, acknowledge that the above patient is an active participant in the Waukesha County OWI Court. I have considered alternative methods of treatment for the patient's medical needs and am prescribing the above medication because I have determined the alternatives to be inappropriate and that the above medication is medically necessary.

Physician Signature	Printed Name	Date
---------------------	--------------	------

OWI Court Participant: Please have your physician complete the above form the same day you are prescribed the medication. Include contact information for your health care provider and return this form to your Probation Agent, Case Manager or the Waukesha County Treatment Court Program Director as soon as possible. Any questions can be directed to 262-993-1271.

Health Care Provider: _____

Address: _____

Phone: _____

PARTICIPANT ACKNOWLEDGEMENT OF the DRUG TESTING COLLECTION PROTOCOL

The reliability of drug testing is dependent on the integrity and accuracy of the collection process along with the chain of custody of the sample. Staff realize that drug testing can be an invasive procedure. However, strict adherence to the following collection protocol will ensure reliability and validity of all drug test results.

Participant Preparation for Urine Testing

1. Upon admission to the program, case managers will review the drug testing collection protocol with the participant and provide the participant with a copy.
2. Upon admission to the program, participants will be provided with a list of over-the-counter medications and foods they **MUST** avoid while in drug testing.
3. Because selection for testing is done on a random basis, **ALL program participants MUST appear in the office ready to provide a urine sample for testing.**
 - a. Participants who cannot provide a sample will wait in a designated area for 15 minutes and will be monitored to ensure no consumption of fluids. If the participant cannot produce a sample within 15 minutes, the "Shy Bladder" procedure will be implemented.
 - b. **Children are not to be present during the drug testing process.**
4. **All drug testing will take place first**, followed by the supervision appointment with the participant's case manager. The case manager will review the results of the drug test at the supervision appointment after the drug testing process is complete and the participant is escorted back to the office by the case manager.
5. "Shy Bladder" procedure. If a participant cannot provide a sample, they will remain in the designated drug testing waiting room until they are able to do so. **THEY WILL NOT BE ALLOWED TO LEAVE AND RETURN TO PROVIDE A SAMPLE, and all consumption of fluids will be strictly monitored. Participants are not allowed to leave to go to their car, get a drink, smoke, or any other reason.** If the participant leaves the drug testing waiting area for any reason before providing a sample, a "Refusal" will be documented and reported to the Court. **NO EXCEPTIONS!**

Sample Collection

1. The case manager will prepare for drug testing, securing the proper forms and labels. The case manager will ask the participant if s/he is taking **any prescription medication**. This will be noted in the hard file, and all **prescriptions must be verified**.
2. The case manager will ask the participant if they are ready to provide a specimen and will escort the participant to the designated bathroom, while maintaining all drug testing documents in their possession.
3. Staff collecting the sample will verify the identity of the person to be tested by asking their name and date of birth. **Participants MUST match the photograph in the participant's file.**
4. Collection staff will enter the collection date, specimen number, last name, first name and date of birth of the participant on the "Drug Testing Collection Log".
5. Participants will be required to remove **ALL extra layers of clothing down to one layer of clothing**, including: coats, jackets, hooded sweatshirts or large pocket clothing items prior to testing.
6. Participants will empty ALL pockets and place all items in a storage tray (any money will remain in possession of the participant) until the testing process is complete.
7. The participant will thoroughly rinse and dry their hands **immediately** prior to testing. **This activity will be observed by collection staff.**

8. Collection staff will secure and wear gloves at this time and ensure that the toilet has been flushed prior to sample collection.
9. Collection staff will ask the participant to inspect the package to make sure it is sealed.
10. The collection staff will direct the participant to provide a urine sample, filling the testing cup to the minimum fill line (as marked on the test cup).

****Collection staff will ensure the collection of an unadulterated sample by monitoring the collection of the specimen.**

**** There will be no talking during the collection of the specimen!**

11. Upon completion of providing the sample, the participant will **hand the testing cup to the collection staff** to place the container lid securely on the cup.
12. The collection staff will verify the temperature of the sample by inspecting the temperature strip on the testing cup to ensure the validity of the sample.
13. The participant will be instructed to dress, flush the toilet and wash their hands.
14. The collection staff will activate the test and secure the sample by placing the key in the cup lid and placing a green drug testing sticker over the lid and key down the side of the cup **in the presence of the participant.**
15. The date and the offender ID number will be documented on the testing cup with a Sharpie marker. Collection staff will ask the participant to verify all information documented on the cup label to ensure its legibility.
16. Participants will be asked to wait in the designated area for release to their case manager to return to the program office for the supervision appointment.
17. If collection staff believe an adulterated sample has been submitted, the participant will be required to submit a new sample.
18. If the specimen is diluted, the participant is instructed to remain in the waiting room and to provide a new specimen. The participant **MUST** wait an hour before providing a new specimen. The results of the second specimen are reported to the Court. In the event the second specimen is diluted, no additional specimens will be collected and those results reported to the Court.
19. All positive specimens will be placed in a secure (locked) container and collected for transport to the secure storage site on a frequent basis. **All positive samples will be stored in the designated, locked refrigerator on-site at the Waukesha office for 10 days.**
20. After the testing process is completed, the participant **MUST** wait to meet with their case manager.

Challenges to Accuracy of Test Results

1. Under **no circumstance** will a participant be allowed to submit a “new” specimen based on a claim of lab error. If a participant wishes to challenge the accuracy of a test result, **the challenge MUST be made within 24 hours of the participant receiving notice of the positive result.**
2. When a test is positive and participants have presented verified prescriptions, the only way WCS can verify the positive result is due to a prescription is through a confirmation test. If a participant declines a confirmation test, the result is reported as positive and details the verified prescription(s).

3. The participant is responsible for informing their attorney of their intent to challenge the drug test result.
4. The participant and/or their attorney must notify the assigned case manager if a confirmation test is being requested within 24 hours of the positive result. The case manager will then notify the WCS Drug Testing Lab of the challenge and request for confirmation.

OVER-THE-COUNTER MEDICATIONS AND FOODS TO AVOID WHILE BEING URINE/BREATH/SCRAM TESTED

It is the participant's responsibility to limit exposure to the below list of products. It is the participant's responsibility to read labels or inquire of a pharmacist or assigned case manager before using/consuming the following products. Use of the products detailed below will NOT be allowed as an excuse for a positive drug, breathalyzer or SCRAM test. When in doubt, do not use or consume:

1. **Cough and Other Liquid Medications:** Alcohol containing cough/cold syrups such as Nyquil. Other cough syrup brands containing ethyl alcohol. All prescription and over-the-counter medications must be reviewed with your case manager before use. Non-alcohol containing cough/cold remedies are readily available at most pharmacies and major retail stores.
2. **Non-Alcoholic Beer/Wine:** Although legally considered non-alcoholic, NA beers (Sharps, O'Doul's) contain a residual amount of alcohol that may result in a positive test result for alcohol, if consumed.
3. **Food and Other Ingestible Products:** There are numerous other consumable products that contain ethyl alcohol. Flavoring extracts such as vanilla or almond extract, and liquid herbal extracts (such as Ginkgo Biloba), could result in a positive screen for alcohol or its breakdown products. Energy drinks, Communion wine, food cooked with wine and flambé dishes (alcohol poured over a food and ignited such as cherries jubilee, baked Alaska) must be avoided.
4. **Mouthwash and Breath Strips:** Most mouthwashes (Listermint, Cepacol, etc.) and other breath cleansing products contain ethyl alcohol. The use of mouthwashes containing ethyl alcohol may produce a positive test result. Non-alcohol breath fresheners are readily available and are an acceptable alternative.
5. **Hygiene Products:** After shaves, colognes, hairsprays, mousse, astringents, bug sprays (Off) and some body washes contain ethyl alcohol. While it is unlikely that limited use of these products would result in a positive test for alcohol, excessive, unnecessary or repeated use of these products could affect test results. Participants must use these products sparingly to avoid reaching detection levels.
6. **Solvents and Lacquers:** Many solvents, lacquers and surface preparation products contain ethyl alcohol. Both excessive inhalation of vapors, and topical exposure to such products, can potentially cause a positive test result for alcohol. Frequency of use and duration of exposure to such products must be kept to a minimum. There are alternatives to nearly any item containing ethyl alcohol. A positive test result will not be excused by reference to use of an alcohol-based solvent. If a participant is employed where contact with such products cannot be avoided, this must be discussed with the case manager.
7. **Poppy Seeds:** It is possible to test positive for opiates after having consumed poppy seeds. Poppy seeds contain trace amounts of opium, which like heroin, is derived from the poppy plant. Research measuring the amount of seeds necessary to produce a positive result is varied. To avoid this issue, participants must avoid consuming poppy seeds.
8. **CBD Oil:** It is possible to test positive for marijuana after using CBD oil/products depending on the purity of the products. To avoid this issue, participants must refrain from using CBD oils and products.

SECOND HAND MARIJUANA SMOKE

In various studies on passive inhalation, positive results have occurred where individuals were exposed to the smoke of 4-16 marijuana cigarettes in an extremely small, sealed, unventilated area for one hour a day over the course of several days. The conditions were extremely uncomfortable, causing watering of the eyes and irritation to the mucous membrane of the nose and throat. The few positive test results were detected at the 20 ng/ml level which is the most sensitive testing level.

The only study where the results were detectable at the 50 or 100 ng/ml level were a product of hour-long exposure in the above sealed conditions to 16 cigarettes over 6 consecutive days. It is highly unlikely that the extreme conditions necessary to produce ANY positive test (even at the lowest 20 ng/ml level) could be encountered in a real-life situation without, at least, the tacit consent of the participant. **Accordingly, it is the participant's responsibility to remove him/her self from that situation.**

Participant Preparation for Saliva Testing

The reliability of saliva drug testing is dependent on the integrity and accuracy of the collection process along with the chain of custody of the sample. Strict adherence to the following collection protocol will ensure reliability and validity of all drug test results. Saliva testing will be conducted on Saturdays only and is not permissible as an alternative to a urine test at any other time during your supervision.

1. No food or beverage, including water, will be allowed in the testing area.
2. You must wait a minimum of 15 minutes after the consumption of food or beverage before the saliva test is administered.
3. You must be tobacco free, including electronic cigarettes and chewing tobacco for a minimum of 15 minutes prior to testing.
4. There will be no talking during the *collection* process. You must stay in direct view of the case manager conducting the test until the sample is secured in the testing cup. If you leave during the testing process the test will be recorded as a refusal. Participants should expect the *complete* testing process to last approximately 15-20 minutes.
5. If you test positive for a substance, other than a substance you have a valid script for, you will be required to provide another specimen with a confirmation test swab.

I, _____ (FULL name) acknowledge that my case manager thoroughly reviewed the above procedures for drug testing. I understand and agree to comply with all above procedures as an active participant of the WCS Pretrial Program in accordance with my court ordered conditions of release. I understand that failing to sign this document will be reported to the Court.

Participant: _____ Date: _____

Witness (Case Manager): _____ Date: _____

Self-Help Support Meeting Rules

1. Attend one self-help meeting per week in Phase II, and attend two self-help support meetings weekly in Phase III, IV & V. Attend community support meetings such as AA, NA, HA, MA, CA, SMART Recovery, Celebrate Recovery, Dharma, or SOS (Save Our Selves). All other self-help meetings must be preapproved.
2. The required self-help meetings must occur **in person** on separate days of the week. You may attend more than one meeting in one day; however, only one meeting per day will fulfill the self-help meeting requirements. Additional meetings in a day will not count toward your weekly self-help meeting requirement.
3. You must attend at least **one** Treatment Court Alumni meeting per month. This may fulfill one of your weekly self-help meeting attendance requirements once a month. Attendance at additional Alumni meetings is encouraged but only one per month will count towards your meeting requirements.
4. You must fill out the Self-Help Group Attendance Slips completely with the group name, location, date, time and secretary's signature and phone number. Also, include any contact you have had with your sponsor during that week. Your responses for categories 'How I was helped' and 'How I helped others' need to be a minimum of two sentences. **Slips which are not filled out completely (ie: missing secretary signature and phone number) will not be accepted.**
5. **Self-help meeting weeks run from Thursday to Wednesday. Slips are due by 11:59 P.M. every Wednesday.** Turn in your Self-Help Group Attendance Slips on a weekly basis. Failure to submit your slips on time will result in a sanction.
6. You can turn slips in via the following methods:
 - In person at WCS
 - Fax: 262-544-9456
 - Email: vfeely@wiscs.org and drawski@wiscs.org
 - Text: 262-993-1796
7. If you fax, email, or text in your slips, you need to hold onto all the originals. You are expected to provide your original slips at your regularly scheduled office appointment or court session.
8. Obtain a sponsor/support person during Phase III and contact them weekly throughout the entire program. You will not be promoted to Phase IV until you have found a sponsor/support person. Record your weekly contact with your sponsor/recovery support person on the Self-Help Group Attendance Slips.

OWI Treatment Court Submission Policy

Any material that needs to be submitted to the OWI Treatment Court Team, will be due every Wednesday before midnight, unless otherwise specified. Following are examples of what are due:

Self-Help Slips

Writing assignments (essays, autobiographies, etc.)

These materials can be submitted to the OWITC team via email, fax, or in person at the WCS office.

Case Manager emails: yfeely@wiscs.org and drawski@wiscs.org

(Please email materials to **EVERY** case manager, not just one)

Fax number: (262) 544-9456

IF these materials are not submitted before midnight on any given Wednesday, it will be considered a violation in the program and could result in a sanction.

(PARTICIPANT SIGNATURE)

(DATE)

(CASE MANAGER SIGNATURE)

(DATE)

TRAVEL POLICIES & PROCEDURES

Participants are not allowed to travel within Phase I and Phase II of the program. Travel requests may be submitted starting in Phase III; however, participants must remember that travel is a privilege and the primary focus should remain on the treatment court program.

Participants must inform DOC and their WCS case manager of any and all overnight lodging prior to their stay. This includes any night not spent in their approved residence that was verified by WCS and DOC.

All overnight stays require prior approval, regardless of distance, unless the participant is staying at the residence of an approved family member or significant other already known to the team.

Any overnight stay at a hotel, motel, short-term rental (e.g., Airbnb), or similar lodging requires a formal travel request and team approval in advance, even if the location is within a 70-mile radius of Waukesha County.

For any out-of-state travel, or travel more than a 70-mile radius outside Waukesha County (past Madison, Fond du Lac, or the Illinois border), travel requests must be submitted to the team for approval at least two weeks prior to travel. This includes both day travel and overnight stays. All out-of-state travel must also be approved by the participant's probation agent.

The travel request form must outline a plan for alcohol and/or drug testing while on travel which includes, but is not limited to, remote breath, SCRAM, or submitting a PBT three times per day during travel. Participants are only allowed to "travel" once every 30 days, for a maximum of five days at a time.

All travel requests are discussed, and will be approved or denied, by the treatment court team on a case-by-case basis. These travel policies and procedures are subject to change based on a participant's involvement and circumstances.

Testing while out of town:

If approved, you are required to follow the alternative testing protocol the team deems appropriate.

1. SCRAM or Remote Breath
2. Testing at the local police department
 - Contact a police department near where you are planning to travel and get their approval.
 - If approved, inform your case manager and provide them with the contact information for the police department you will be using. This should include the address, phone number, and fax number; as well as the name of the person you got permission from.
 - You will be required to maintain program requirements while on travel.
 - You may be required to attend self-help meetings while traveling.

PROGRAM COMPLIANCE AND NONCOMPLIANCE

As with any OWI Treatment Court, a participant's progress is measured through his or her compliance with the treatment regimen. The ultimate goal of the OWI Treatment Court is complete abstinence from alcohol and illicit drug use. OWI Treatment Court rewards compliance and sanctions noncompliance.

Treatment providers, the Judge and other program staff maintain frequent, regular communication to provide timely reporting of progress and noncompliance, enabling the Court to respond immediately. Responses to compliance and noncompliance are explained verbally and provided in writing to the OWI Treatment Court participants at orientation. Periodic reminders are given throughout the treatment court process.

Individual treatment providers will establish their own policies and procedures as to when noncompliance reports are submitted to the Court and other OWI Treatment Court team members. Treatment providers **must** provide timely notification and/or reports to the OWI Treatment Court Team.

Behaviors that **MUST** be reported as noncompliance include, but are not limited to: failure to attend self-help support groups, failure to attend relapse recovery groups, failure to provide a urine specimen and/or breath for testing, a positive drug screen and/or breath test, providing a diluted specimen, tampering with a SCRAM bracelet, absences that are not excused, failure to do required sanction, failure to report police contact, and failure to attend individual or group counseling sessions, as well as Alcohol Treatment Court sessions. Late submissions for PBT and self-help verifications, as well as late arrivals to appointments may be sanctioned as well.

A positive breath or urine test for the presence of alcohol or drugs or a confirmed consumption on SCRAM will be considered a probable cause violation of the absolute sobriety requirement. If the participant intends to obtain a secondary validity test on their own, the participant should contact WCS for an approved testing facility. Under no circumstances will secondary testing for hair or fingernail testing be permitted. A sanction for noncompliance will be imposed. A participant, however, may request a hearing to challenge the finding of non-compliance.

The Judge is the ultimate authority for sanctions and incentives concerning OWI Treatment Court participants.

Incentives

Incentives which MAY be used to reward compliance:

- Reduced time in jail
- Promotion to next phase
- Certificates of completion
- Encouragement and praise from the team
- Gold Star (top of the list - Zoom or in-person, leave after)
- Run of Four (every 4th court appearance)
- Longer time between court appearances
- Reduced meetings with case manager
- Weekly Drawing for a \$10.00 Gift Certificate for local restaurants
- Reduced driver's license revocation time

In addition, Pizzo Bucks may be given by any member of the OWITC Team to participants who go above and beyond program expectations. These incentive cards should be brought to your next treatment court appearance where they will be entered into a drawing to win incentives such as Gold Star, Zoom, Early Bird, and Leave Early. Please note: Incentive cards cannot be used if participant is on the sanction list. If this occurs, the cards will be held by staff until the next court appearance.

Sanctions/Therapeutic Interventions

Sanctions/Therapeutic Interventions which MAY be used:

- Time in jail with or without Huber
- Start current phase over (only in phase V) or extend time spent in a current phase
- Increase frequency of court appearances and/or home/office visits
- Increase frequency of breath tests and/or urinalysis
- Increase intensity of treatment and/or re-enroll in treatment
- Increase self-help support meetings
- Community service hours
- Writing assignments (podcast reflection, vision boards, etc)
- Electronic Monitoring System/SCRAM
- Individually tailored sanctions

When sanctions MAY be imposed:

- Driving without a valid license
- Using alcohol or other controlled substances
- Missing urinalysis, providing a diluted specimen, and/or providing a fraudulent specimen
- Missing and/or being tardy for case management, court, or treatment appointments
- Missing and/or being tardy for testing
- Behavior inconsistent with a commitment to meeting OWI Treatment Court goals
- New arrests for any kind of offense

In addition to non-compliance with the terms and conditions of the OTC Program, the following may result in *termination* from the program:

- New OWI arrest
- Attempting to drink and drive- (i.e- positive IID readings)
- Arrest on probable cause for a felony
- Arrest on probable cause for a violent misdemeanor
- Tampering with a drug test (see page 25 for details)

Sanction/Discharge from the Program Rights and Procedures

SANCTIONS

For those subject to a **sanction** only, the treatment team has alleged that you violated one or more of the program rules. Examples of violations are as follows: drug or alcohol use, providing false information to a member of the treatment court team, committing a new criminal act, drug or alcohol screen refusal, failing to attend treatment/court sessions, failing to submit self-help slips or to attend required meetings, etc.

As a result of the alleged violation, the team intends to impose a sanction. Potential sanctions can include restrictions on travel, jail time, community service, a writing assignment or other penalties as deemed appropriate by the team.

DISCHARGE FROM THE PROGRAM

For those subject to **discharge** from the program, the treatment team has alleged that you violated one or more of the program rules **and** that this violation is so severe that you remaining a participant of the treatment court jeopardizes the legitimacy of the treatment court program and endangers the safety of the public.

If you are discharged from the program, you will be required to serve the balance of your sentence, whether that be conditional jail time if you are on probation or time imposed as part of a jail only. If you are on probation, you may also be subject to revocation of your supervision status as a result of your alleged violation(s).

YOUR RIGHTS

You have the right to contest a sanction or discharge from the court and to have due process hearing. At the due process hearing, you have the right to present evidence and to call witnesses to testify on your behalf regarding the alleged violation. At the hearing, you also have the right to have an attorney represent you. The treatment court team will provide you with a reasonable adjournment of the hearing for you to seek counsel. If you are unable to afford private counsel, you may be eligible for an appointed attorney either through the State Public Defender or court appointment. Please do not wait to seek representation.

If you are in custody and would like to meet with the State Public Defender, immediate fill out an Inmate Communication Form requesting to be seen for an evaluation, indicating the date of your next hearing. If you are out of custody prior to your hearing, please come in person for an evaluation at the Waukesha Office of the State Public Defender, located at 407 Pilot Court, Suite 500, Waukesha, WI. Evaluations are done on a first-come, first-serve basis Monday through Friday from 1:00 p.m. to 4:00 p.m. If you have questions about the evaluation process, please call (262) 521-5173.

If you do not qualify for representation through the State Public Defender and cannot afford to hire an attorney, the county may be able to appoint counsel for you. The court will not consider appointing an attorney to assist you until you are deemed ineligible for the services of the State Public Defender. To seek representation from a court appointed attorney, please fill out the attached "Petition for Appointment of An Attorney, Affidavit of Indigency and Order" and submit it to the court.

Participant Contract

1. I fully agree to participate in the Waukesha County OWI Treatment Court Program.
2. I agree to participate in all phases of the program as recommended by my case manager.
3. I understand that if I am referred to a treatment group, I will be involved in the group discussions and agree to actively participate.
4. I understand I must have ALL prescribing doctors/dentists fill out a prescription medication form and provide bottles to staff (with the medication in it) within 1-2 business days. You may also be asked to bring your medication in weekly for a medication count.
5. I agree to abide by all directives and decisions given by the Judge and the staff.
6. I understand that no violence or threats of violence or inappropriate conduct is allowed at Wisconsin Community Services and that legal prosecution will result from such actions.
7. I understand that all program participation information will be shared with the Alcohol Treatment Court Team, District Attorney, Defense Attorney, Treatment Providers and Department of Correction Agent, if currently on probation.
8. I understand that I must stay current with all of my financial obligations, *including but not limited to*: The monthly program participation fee, SCRAM fees, any outstanding pretrial fees and OWI fine payment plan. Failure to comply with the monthly program fee may result in termination from the Alcohol Treatment Court Program and a referral to Waukesha County Collections.

Search and Urinalysis Policy

I hereby give permission to Wisconsin Community Service staff to search my personal belongings while I am on WCS property, if I am suspected of carrying contraband. I hereby waive any constitutional objection to any such search and claim for invasion of privacy in connection with such searches.

I understand that as a participant in the Waukesha County OWI Treatment Court Program, I will be required to provide breath and urine specimens for analysis and that all positive results will be reported to all involved parties, i.e., OWI Treatment Court Judge, District Attorney, Defense Attorney and Department of Corrections Agent, if currently on probation.

CLIENT RIGHTS STATEMENT

As a client in the Waukesha County OWI Treatment Court program through Wisconsin Community Services, Inc., you have certain rights.

First, you need to know that a qualified provider may consult with other experts on treatment issues. You are encouraged to discuss your progress in this program at any time with your provider. Unless you are court ordered or are here as a condition of your probation/parole, you may end treatment at any time.

You are entitled to receive information about the methods and approaches of the program you are enrolling in. You will be an active participant in the development of your treatment service plan. You may also seek consultation from another expert regarding the appropriateness of this program for you.

You need to know that the information you give us during your treatment is legally confidential except as required by law. This confidentiality is regulated by state law, and for individuals in substance abuse programs, also by federal law. Information about your treatment and your case can only be released upon your written request/consent. It may be that you have been ordered to attend this program or that attendance is a condition that a progress report must be sent to your agent. If this is the case, and if there is a condition that a progress report must be sent to your probation/parole agent, then you must sign a written consent for such information to be released. Your provider will provide this consent form for you.

There are exceptions to the law of confidentiality. These exceptions are as follows: if there is a "threat of harm" to self or others; the person is of imminent danger to self or others; there is suspicion of child abuse; or if an individual is considered to be gravely mentally disabled. In these cases, a provider, by professional ethics and state statutes, is obligated to protect the individual or others. In any situation, they must be reported to the Department of Social Services in the county where the abuse is suspected.

You need to know that sexual contact between a client provider is not a part of any recognized therapy or rehabilitative process and is never seen as acceptable under any circumstance or condition. Sexual intimacy between client and provider is illegal and should be reported to the appropriate grievance or professional licensing authority.

I have been informed of my provider's professional credentials, training and experience. I have also read the above information and understand my rights as a client.

GRIEVANCE PROCEDURE

When a participant has a complaint, or feels his rights are being violated, he may initiate the following grievance procedure:

Step One – Informal Discussion

The complaint procedure may start with the participant's request of their assigned case manager for an informal discussion between the parties involved. This request must be made within 30 days of the incident or problem causing the grievance.

Step Two – Complaint Investigation and First Decision:

If no resolution is obtained through Step One, within 45 days of the incident, the person making the complaint should fill out a written complaint form and send it to the Treatment Court Coordinator/WCS Program Manager. The Treatment Court Coordinator will study the complaint, make an investigation, and report the findings to the Waukesha Justice Services Coordinator. The Justice Services Coordinator will make a formal written decision within seven days and send it to the participant.

Step Three – Hearing and Administrative Decision:

Within 15 days of Step Two decision, the complainant may request that the complaint be forwarded to the County Criminal Justice Collaborating Council Chair (CJCC). The CJCC Chair or their appointed designee will hold a hearing within 15 days.

Step Four – Final Hearing and Decision:

An impartial decision maker will be appointed by the CJCC Chair to hear and make a decision for grievances in the final stage. The impartial decision maker will not have participated in making or reviewing the initial appeal and may be an individual, a board, or a commission.

The Final Stage Hearing shall be available only after exhaustion of remedies available in Steps One and Two.

The request for a final determination shall be made within 15 days after a Step Three decision. Within 20 days of conducting a hearing under Step Three, the decision maker shall mail or deliver to the client a written determination, stating the reasons for the findings.

The participant may, at any time, choose to use the Court instead, in which case the grievance procedure will end.
