Ord. No.: 2026-02

**ORDINANCE AMENDING CERTAIN SECTIONS IN CHAPTER 17 OF
THE TOWN OF BROOKFIELD MUNICIPAL CODE**

NOW THEREFORE, the Town Board of the Town of Brookfield, Wisconsin do ordain
as follows:

SECTION 1: Section 17.02(14)(b)9. of the Town Code is hereby repealed and recreated
to read as follows:

9. PUD planned unit development. The PUD planned unit development conditional use is intended to permit developments that will, over a period of time, be enhanced by coordinated area site planning, diversified location of structures, diversified building types and mixing of compatible uses. Such developments are intended to provide a safe and efficient system for pedestrian and vehicle traffic; attractive recreation and open spaces as integral parts of the developments; enable economic design in the location of public and private utilities and community facilities; and ensure adequate standards of construction and planning. The PUD conditional use under this chapter will allow for flexibility of overall development design with benefits from such design flexibility intended to be derived by both the developer and the community, while at the same time maintaining insofar as possible the land use density and other standards or use requirements set forth in the underlying basic zoning district. The flexibility to a design standard shall not be permitted if such flexibility would violate the provisions and restrictions set forth in this Section.

SECTION 2: Section 17.02(14)(b)9.d.ii.[ii] of the Town Code is hereby repealed and
recreated to read as follows:

[ii] The total residential density within the planned unit development conditional use will be compatible with the Town Master Plan or component thereof. In no event shall the total residential density of a planned unit development conditional use exceed 24 dwelling units per acre.

SECTION 3: Section 17.02(14)(b)9.d.v.[iv] of the Town Code is hereby created to read
as follows:

[iv] The total residential density shall not exceed 24 dwelling units per acre.

SECTION 4: Section 17.02(14)(b)9.h.ii. of the Town Code is hereby repealed and recreated to read as follows:

ii. The compact development form PUD shall require a heightened level of site design, and individual buildings shall be arranged in a unified fashion so as to be complementary to each other and to be compatible with the surrounding neighborhood. Higher-density residential development is encouraged in location-appropriate areas and can be authorized within this conditional use category but in no event shall the total residential density exceed 24 dwelling units per acre.

SECTION 5: Section 17.02(14)(b)9.h.iii.[xii] of the Town Code is hereby repealed and recreated to read as follows:

[xii] A compact development form for residential development is permissible at densities dependent upon, and related to, the form and massing of buildings, and the provisions of this Section. Specified maximum building height, setbacks, build-to lines, offsets, and on-site parking requirements are to be established by the Planning Commission and Town Board, which will determine available housing densities. In no event shall the total residential density exceed 24 dwelling units per acre. A lack of variation in the form, massing, and design of buildings and overall site development is specifically discouraged.

SECTION 6: All other provisions of the Town Code shall remain in full force and effect.

All ordinances or parts of this Ordinance conflicting or contravening the provisions of this Ordinance are hereby repealed. This Ordinance shall take effect upon passage and posting or publication as provided by law.

PASSED AND ADOPTED by the Town Board of the Town of Brookfield, Waukesha County, Wisconsin this 5 day of May, 2026.
