

APPENDIX D – HOMEOWNER REHABILITATION PROGRAMS

1. How many homeowners will you serve in one year?
2. What income level will you target?
3. What is your maximum grant/loan to a homeowner?
4. What types of rehabilitation projects can be funded under your program?
5. Is your program a grant or loan program? Describe. If this is a loan program, describe how the loan will be secured.
6. How will you advertise the program to low- and moderate-income homeowners?
7. Will your agency do the rehabilitation work? Describe this process.
8. Will your agency contract with contractors to do the work? Describe this process.

9. Will homeowners have their own contracts with contractors? Describe this process.
10. What activities you will undertake to ensure units are brought to housing and code standards?
11. How will the work be inspected?
12. If this is a loan program, how will you process loan repayments? Is this a revolving loan program, or will repayments be sent back to Waukesha County?
