Certification for Serious Injury or Illness of a **Current Servicemember for Military Caregiver Leave** under the Family and Medical Leave Act

U.S. Department of Labor **Wage Hour Division**

OMB Control Number: 1235-0003

DO NOT SEND COMPLETED FORM TO THE DEPARTMENT OF LABOR. RETURN TO THE PATIENT.

Expires: 6/30/2026 The Family and Medical Leave Act (FMLA) provides that eligible employees may take FMLA leave to care for a covered

servicemember with a serious illness or injury. The FMLA allows an employer to require an employee seeking FMLA leave for this purpose to submit a medical certification. 29 U.S.C. §§ 2613, 2614(c)(3). The employer must give the employee at least 15 calendar days to provide the certification. If the employee fails to provide complete and sufficient certification, his or her FMLA leave request may be denied. 29 C.F.R. § 825.313. Information about the FMLA may be found on the WHD website at www.dol.gov/agencies/whd/fmla.

SECTION I - EMPLOYER

Either the employee or the employer may complete Section I. While use of this form is optional, it asks the health care provider for the information necessary for a complete and sufficient medical certification. You may not ask the employee to provide more information than allowed under the FMLA regulations, 29 C.F.R. § 825.310. Recertifications are not allowed for FMLA leave to care for a covered servicemember. Where medical certification is requested by an employer, an employee may not be held liable for administrative delays in the issuance of military documents, despite the employee's diligent, good-faith efforts to obtain such documents. An employer requiring an employee to submit a certification for leave to care for a covered servicemember must accept as sufficient certification invitational travel orders (ITOs) or invitational travel authorizations (ITAs) issued to any family member to join an injured or ill servicemember at the servicemember's bedside. An ITO or ITA is sufficient certification for the duration of time specified in the ITO or ITA.

Employers must generally maintain records and documents relating to medical information, medical certifications, recertifications, or medical histories of employees or employees' family members created for FMLA purposes as confidential medical records in separate files/records from the usual personnel files and in accordance with 29 C.F.R. § 1630.14(c)(1), if the Americans with Disabilities Act applies, and in accordance with 29 C.F.R. § 1635.9, if the Genetic Information Nondiscrimination Act applies.

SECTION II - EMPLOYEE and/or CURRENT SERVICEMEMBER

Please complete all Parts of Section II before having the servicemember's health care provider complete Section III. The FMLA allows an employer to require that an employee submit a timely, complete, and sufficient certification to support a request for FMLA leave due to a serious injury or illness of a covered servicemember. If requested by your employer, your response is required to obtain or retain the benefit of FMLA-protected leave.

SECTION III - HEALTH CARE PROVIDER

Please provide your contact information, complete all Parts of this Section fully and completely, and sign the form below. The employee listed at Section I has requested leave under the FMLA to care for a family member who is a current member of the Regular Armed Forces, the National Guard, or the Reserves who is undergoing medical treatment, recuperation, or therapy, is otherwise in outpatient status, or is otherwise on the temporary disability retired list for a serious injury or illness. Note: For purposes of FMLA leave, a serious injury or illness is one that was incurred in the line of duty on active duty in the Armed Forces or that existed before the beginning of the member's active duty and was aggravated by service in the line of duty on active duty in the Armed Forces that may render the servicemember medically unfit to perform the duties of the servicemember's office, grade, rank, or rating. "Need for care" includes both physical and psychological care. It includes situations where, for example, due to his or her serious injury or illness, the servicemember is not able to care for his or her own basic medical, hygienic, or nutritional needs or safety, or needs transportation to the doctor. It also includes providing psychological comfort and reassurance which would be beneficial to the servicemember who is receiving inpatient or home
