

Redford Blvd and Busse Rd Intersection Improvement

CTH F (Redford Blvd) and
Busse Road

YOU'RE INVITED: PUBLIC INVOLVEMENT MEETING

Date: Wednesday, July 15, 2026
Time: 4:30 pm – 6:30 pm
Location: Waukesha County Highway Operations
1641 Woodburn Rd
Waukesha, WI 53188

The Waukesha County Department of Public Works invites you to a public involvement meeting to discuss improvements to the intersection of CTH F (Redford Blvd) and Busse Road. The meeting will follow an open house format. Attendees may stop in at their convenience and view exhibits, meet with project staff, ask questions, and provide feedback. The project team encourages property and business owners, interested citizens, and other stakeholders to attend the meeting.

The project will make geometric changes to the intersection of CTH F (Redford Blvd) and Busse Road. The purpose of the project is to upgrade traffic signal equipment, realign the northbound left turn lane, and add southbound right turn lane in the existing roadway to improve traffic safety. The focus of this meeting will be to hear the community's input regarding roadway design alternatives. The alternatives being presented were developed using design criteria required by the Wisconsin Department of Transportation for use on projects that will utilize federal funding. We are looking for feedback from project stakeholders on design elements including pedestrian accommodations, access modifications, and right of way/construction impacts. Construction is planned to begin in 2028.

Redford Blvd and Busse Rd Improvement

**CTH F (Redford Blvd) and
Busse Road**

Exhibits illustrating the recommended alternative can be reviewed at the following website starting July 15, 2026:

<https://www.waukeshacounty.gov/public-works/road-projects-and-closures/cth-f-and-busse-intersection-waukesha-county/>

Comments on the project will be welcomed until August 15, 2026. Comments may be provided via USPS mail or email to the contact listed below or by calling the individual directly.
