Waukesha County Sheriff's Department Celebrates 16th Annual "Shop with a Sheriff" Event

The Waukesha County Sheriff's Department is honored to continue the tradition of Shop with a Sheriff, an event that brings holiday joy, encouragement, and support to local children and their families.

In partnership with Waukesha County Health and Human Services, children are selected to take part in this meaningful holiday experience. Each child is paired with a deputy sheriff or correctional officer and given the opportunity to shop for items for themselves and gifts for the people they love. The event creates an opportunity for children to share in the joy of giving, build positive relationships with law enforcement, and make meaningful holiday memories.

Shop with a Sheriff would not be possible without the generous partnership of Meijer, which graciously hosts the event, serves as a major contributor to its success, and helps create a warm and welcoming experience for all who participate. Meijer's support, together with the generosity of local residents and businesses, helps make the holiday season brighter and more meaningful for children and families throughout Waukesha County.

If you are interested in supporting Shop with a Sheriff and helping make the holiday season special for local children and families, donations may be made payable to the WDCA (Waukesha Deputy Charities Association) and mailed to:
