

## **Project Summary – April 16, 2026**

**CTH YY**  
**CTH VV to WIS 175**  
**Waukesha County**  
**Project I.D. 2782-06-01/71**

### **Project Overview**

The proposed scope includes a mill and overlay of existing pavement to extend the pavement life and improve surface condition on the 3.5-mile-long project. Urban drainage and curb and gutter will be reviewed for improvements. Rehabilitation to bridge approach pavement, parapets and curb and gutter for B-67-57 will be investigated. DPW received federal Carbon Reduction Program (CRP) funding for the construction phase of replacement and upgrade to the traffic signals at Kendall Place, Mill Road, and CTH W (Good Hope Road).

### **Anticipated Schedule**

Design – Feb 2026 to December 2027  
Public Involvement Meeting – Summer 2026  
Project LET – Feb 2028  
Construction – 2028
