DISTRICT OWI/PAC SENTENCING GUIDELINES COMMITTEE:

Hon. J. Arthur Melvin III, Waukesha Co., Chairman

Hon. William V. Gruber, Jefferson Co.
Hon. Steven Cain, Ozaukee Co.
Hon. Shawn Woller, Dodge Co.

Revised 11/2/2026

SENTENCE OPTIONS/ALTERNATIVES

Alcohol Assessment and Driver Safety Plan. **(All offenses)**

- Court may order the safety plan to include effect on any victim or victim's family. **(All offenses)**
- Court may order community service work that demonstrates adverse effects of abuse (and a reasonable fee). **(All offenses)**
- Court may order a visit to a site that demonstrates adverse effects of abuse (and a reasonable fee). **(All offenses)**
- Court must order community service to pay off fine, if a finding is made that there is an inability to pay.
- Court may also order restitution. **(All offenses)**
- Court may, after a finding of inability to pay, reduce the costs or forfeiture and order the person to pay the difference toward the cost of the alcohol assessment and driver safety plan. **(All offenses)**

IGNITION INTERLOCK OF OWNED VEHICLE (IID). **Required for all offenses except for 1st offense with BAC under .15. Note: IID may start\end on a different date than revocation as revocation period is extended by any imprisonment imposed. 343.30(1r). (The law provides for reduced cost of installation if defendant is found to be indigent.)**. Court may order a motor vehicle owned and operated by a violator to be seized and forfeited. **(3rd offense and above only)**

PROBATION: **Probation may be ordered in some OWI/PAC cases. However, because it is not a "sentence" the law does not require guidelines relating to probation (346.65(2m)). In probation cases, it is suggested that a longer stayed sentence be paired with a shorter conditional time in jail. Conditional jail time in OWI/PAC cases do earn good time (973.09(1)). In-any-event, conditional time must be equal to at least the mandatory minimum jail sentence.**

RESTRICTED\CONROLLED SUBSTANCE CASES (RCS): **Restricted Controlled Substances Offenses have been broken into two columns. The committee in November of 2023 recognizing the increase in Opioid related RCS and the very dangerous nature of the increase of Opioid related accidents, and the effect of Opioids on a driver being similar to high BAC cases, agreed it would be appropriate to treat Opioid RCS cases like the highest level of BAC cases. It is the intent of the committee for this new column to be used for Heroin, Morphine, Oxycodone, and Fentanyl. Prior committees created the "drugged" driving column. The "drugged" driving column should be used for the other RCS cases. The suggested guidelines for "drugged" driving to be used as a starting point together with consideration of the type of drug used as noted in the aggravating and mitigating notes on this page.**

DRIVER IMPROVEMENT AND SAFE RIDE PROGRAM SURCHARGES: (1) a person who fails to pay the Driver Improvement Surcharge or the Safe Ride Program Surcharge within 60 days is subject to license suspension under §343.30(1z); (2) the surcharge may not be satisfied through community service work. .

MITIGATING AND AGGRAVATING FACTORS TO BE CONSIDERED IN SENTENCING

MITIGATING FACTORS:
*Age of prior OWI/PAC Offense/Conviction: *Pre-conviction assessment and treatment; *Verifiable consistent sobriety; *Good driving record; *Minimal poor driving; *Cooperation with authorities; *Positive attitude/steps toward problem recognition; *In "drugged" driving cases-pre-conviction problem recognition on treatment.

AGGRAVATING FACTORS:
*Poor driving; *Accident or injury involved; *Poor prior driving record; *Lack of remorse; *Recent prior OWI/PAC Offense/Conviction; *Combination of alcohol and controlled substance abuse; *Operating without valid driving privileges (i.e. OAR, OAS, OWL, HTO); *Circumstances of consumption (Binge drinking, amount consumed, medication use, etc.); *Poor/limited problem recognition as evidenced by prior treatment history or lack thereof; *Uncooperative/belligerent/violent toward arresting officer; *Prior uncounted offenses for OWI/PAC; *Passenger in vehicle; *If "drugged" driving is substance heroin, opioid or methamphetamine, with an understanding that opioids now have separate column and would therefore have the other aggravating factors. Also, *If "drugged" driving is substance THC, it may be mitigated if the proximity of THC use to the operation of the vehicle is remote, making the use negligible in the operation of the vehicle.

Modifications to OWI Guidelines

Act 179 increases the following:

1. Circuit Court Costs (Clerk's Fee) in forfeitures increased from $25 to $40, so first offense forfeiture offenses will increase by $15 for this surcharge. (Section 32 of Act 179, Ref. Wis. Stat. § 814.63(1)(b).
2. Court Support Services Surcharge increased from $68 to $81, so first offense forfeiture offenses will increase by $13 for this surcharge. (Section 69 of Act 179, Ref. Wis. Stat. § 814.85(1)(a).
3. Justice Information System Surcharge increased from $21.50 to $24, so first offense forfeiture offenses will increase by 2.50 for this surcharge. (Section 74 of Act 179, Ref. Wis. Stat. § 814.86(1).
4. Circuit Court Costs (Clerk's Fee) in criminal matters increased from $163 to $201, so all misdemeanor and felony offenses will increase by $38 for this surcharge. (Section 9 of Act 179, Ref. Wis. Stat. § 814.60(1).

The maximum confinement for 5th and 6th offenses was changed to 5 years.

The maximum confinement for 7th, 8th & 9th offenses was changed to 7.5 years.

The maximum confinement for 10th offenses was changed to 10 years.

Probation is impermissible for a 5th or subsequent offense. In ***State v. Shirikian***, **2023 WI App 13**, **406 Wis. 2d 633**, **987 N.W.2d 819**, the Court of Appeals (District II) held that under Wis. Stat. § 346.65(2)(am)5:

> [T]he plain statutory language requires a circuit court to impose either the presumptive mandatory minimum sentence or, if the circuit court finds the exception applies, a sentence of no less than a one-year term of initial confinement to be served in prison. The law does not authorize the circuit court to impose but stay the sentence and instead place the defendant on probation.

Municipal Court First Offenses:

- Forfeiture for Drugged Driving and OWI/RCS with Opioid increased to $250
- Revocation times for Drugged Driving and OWI/RCS with Opioid increased to 9 months
