**WAUKESHA COUNTY LAUNCHES PRESCRIPTION DISCOUNT CARD
THAT CAN BE USED BY ALL RESIDENTS**

Discount Cards Offering Average Savings of 24 Percent Off Retail Price

WAUKESHA, Wis. – Waukesha County launched today a discount card program to help consumers cope with the price of prescriptions. The County is making free prescription drug discount cards available under a program sponsored by the National Association of Counties (NACo) that offers average savings of 24 percent off the retail price of commonly prescribed drugs.

The cards may be used by all County residents, regardless of age, income, or existing health coverage and are accepted at approximately 80 County pharmacies. A national network of more than 60,000 participating retail pharmacies also will honor the NACo prescription discount card.

“Waukesha County is proud to be one of the counties nationwide participating with NACo,” said County Executive Dan Vrakas. “The NACo prescription discount card offers significant savings for the uninsured and underinsured residents of our County and even those fortunate to have prescription coverage can use the card to save money on medications that are not covered by their health plan. Best of all, there is no cost to county taxpayers for NACo and Waukesha County to make these money saving cards available to our residents.”

Residents can visit www.caremark.com/naco to print an identification card and use it immediately at any participating pharmacy. Cards will also be available at various County offices including the Register of Deeds, the Health and Human Services Building, the Aging and Disability Resource Center, the Treasure’s, County Executive’s, Clerk of Court’s, and County Clerk’s Offices and libraries throughout the County. County residents can call toll free 1-877-321-2652 or visit www.caremark.com/naco for assistance with the program.

There is no enrollment form, no membership fee and no restrictions or limits on frequency of use. Cardholders and their family members may use the card at any time their prescriptions are not covered by insurance.”

The program is administered by CVS Caremark.
