Next Meeting – June 28, 2016

Topic: Lake Area Free Clinic- Mary Reich

WCNC Mission: Through collaboration, cooperation, and information sharing, the WCNC works to prevent hunger and food insecurity, provides information and education on nutrition issues, and promotes social policies that achieve food security while honoring the dignity of those we serve.

UW-Extension provides equal opportunities in employment and programming including Title IX and ADA requirements. WNEP education is supported by the USDA Food Stamp Program, UW-Extension, FoodShare Wisconsin, and local partners. In Wisconsin, FoodShare can help provide a healthy diet. To find out more about FoodShare, families with minor children can call 262/695-7971 or if you are elderly or disabled, call 262/548-7708.
