

Waukesha County Community Service Options Program

The Community Service Options Program provides site placement and tracking/reporting of community service hours worked for adult offenders who are court ordered to complete community service as a condition of their sentence or as a condition of probation, as well as adults confined in the Huber facility who choose to reduce their jail sentence by performing community service. The program places inmates in positive work settings, reduces the amount of taxpayer dollars spent on incarceration, and supports restorative justice initiatives by providing services and assistance to nonprofits.
