

# RETZER HOWL-WEEN

## An Unhaunted Halloween Event

**HIKES: All hikes leave at 6:10 | 6:30 | 7:00 | 7:20 | 7:50 | 8:10**

**Wolf**—35 to 40 minutes—Discover the way of life of the Timber Wolf! The hike takes us out into the night-time Prairie, to the highest point at Retzer, to look out over the huge habitat of the Wolf. (Most challenging, covering the longest distance and the steepest hill—not appropriate for strollers).

**Owl**—35 to 40 minutes—Discover the way of life of the Great Horned Owl! The hike takes us into the night-time woods, to experience the owl's habitat and its fascinating adaptations. (Medium length, mostly level ground—appropriate for big-wheel strollers).

**Bat**—35 to 40 minutes—Discover the way of life of those creatures of the night, the Bats! The hike takes us along the night-time ridge, to experience the habitat and home range of bats. (Medium length, mostly level ground—appropriate for strollers).

**Mystery**—15 to 20 minutes—Discover the mysteries of the night-time woods, in a shorter hike especially designed for young children! (Shortest in length, on level paved trail—ideal for strollers).
