

The Waukesha County Community Development Division announces an Out of Cycle Application for Community Development Block Grant (CDBG) funds. The CDBG Board will accept applications from October 14, 2013 through November 4, 2014. The Board will review the applications and award funding at the November 13, 2013 Community Development Block Grant Board of Directors meeting.

The Out of Cycle application for CDBG funds will be restricted to eligible Housing activities. The Board will award up to \$500,000 in CDBG funds. Applications are available on the Community Development website, at www.waukeshacounty.gov/communitydevelopment/ or by contacting the Community Development office at 262-548-7921 or nmojica@waukeshacounty.gov.

1 signed application is due to the Community Development office by 4:30 on November 4, 2013. Please email, mail or deliver to 515 W. Moreland Blvd., Room AC 320, Waukesha, WI 53188.

The following types of organizations are eligible to apply for CDBG funds: nonprofit organizations, local governments or public housing authorities. All funds must be used in Waukesha County.

Eligible Projects

CDBG projects must meet the National Objective of Benefiting Low- and Moderate-Income Persons.

CDBG funds may be used for:

- **Rehabilitation or Preservation of Housing.** CDBG funds may be used for acquisition of land and buildings as well as for design, engineering, permits and construction costs. Funds may also be used for related project costs such as property appraisal, property surveys, closing costs, legal fees, demolition, hazardous materials abatement, landscaping, project management and relocation assistance for households or businesses displaced temporarily or permanently by a CDBG-assisted project. New construction for housing is ineligible.
- **Homeowner Rehabilitation Programs.** CDBG funds may be used for assistance to low and moderate income homeowners to repair their homes.
- **Homeownership Assistance Programs.** CDBG funds may be used for down payment and closing costs for low and moderate income homebuyers.
