

## What Chemicals are Acceptable?

Virtually all damaged or unwanted chemicals including:

- **Pesticides:** herbicides, insecticides, fungicides, rodenticides including silvex, atrazine, 2,4-D, captan, malathion, DDT, parathion, chlordane, lindane, 2,4,5-T
- **Chemicals include:** lead arsenate, wood preservatives, creosote, penta, lead and oil paint, solvents, wood finishes, acids, oxidizers, pool chemicals and sanitizers, engine degreasers, parts cleaners, acid washes.

## Unacceptable Materials

- Explosives, including detonators and blasting caps
- Radioactives, including smoke alarms
- Infectious and biological wastes
- Freon 11 and 12
- Propane tanks and cylinders
- Waste oil (take to recycling site)
- Latex paint

Your business or organization is fully liable if an employee or customer is harmed by waste chemicals or if waste chemicals leak into the environment.

Why expose your business or organization to unnecessary risk when there is an easy, low cost solution!

Waukesha County Recycling & Solid Waste Office  
515 W. Moreland Blvd. AC260  
Waukesha, WI 53188

# Waukesha County Agricultural and Business Hazardous Waste Program

*An opportunity to properly  
dispose of unwanted chemicals  
and pesticides*

- Reduce liability
- Protect the environment
- Cheap and easy to do

**Sites in Muskego, Waukesha and  
Oconomowoc**

**Pre-registration is required**  
Visit [www.waukeshacounty.gov/recycling](http://www.waukeshacounty.gov/recycling)  
or call (262) 896-8300

**A Cheap and Convenient**  
way to safely and properly dispose of  
business, institution and farm hazardous  
waste in Waukesha County

### Who Can Participate?

Active and inactive farms, businesses,  
government, schools in Waukesha County.  
Also co-ops, golf courses, right-of-way  
applicators, aerial applicators, landscape  
companies, retail stores, real estate  
management companies, and others.

### Farms and Farm Properties

Any operating farm or inactive farm is  
eligible for free disposal for up to 500  
pounds of farm chemicals. Farmers may be  
required to pay for amounts over 500  
pounds, depending on grant budget.

### Businesses and Institutions

DATCP offers a 50% disposal subsidy for  
waste pesticides only. Businesses must pay  
the remaining balance. A price quote will be  
provided based on the pre-registration  
inventory.

## How to participate - Easy as 1, 2, 3

### 1. Pre-Register at least 5 business days in advance

For a registration form, contact Waukesha  
County Recycling and Solid Waste at  
262-896-8300 or visit the website  
[www.waukeshacounty.gov/recycling](http://www.waukeshacounty.gov/recycling)

### 2. Estimate the types and quantities of materials for disposal. **Businesses** fax form to the waste contractor. **Farms** return form to the County.

### 3. Receive confirmation of drop off location and date. Bring in materials.

### Handling Precautions

- Materials should be properly identified in  
their original containers with original labels,  
if possible.
- **Do not mix substances together!**  
Doing so can be extremely dangerous.
- **Visually inspect containers** before lifting  
or moving them.
- **Secure all lids, caps and covers** before  
lifting or moving.
- **Never place hazardous chemicals in the  
passenger compartment of vehicles.**  
Transport in the trunk of cars or the bed of  
trucks.
