

## Motor Oil and Oil Filters

All Firestone Stores, Walmart Tire Centers and O'Reilly Auto Parts stores are among several businesses in the County that accept oil and oil filters for free; no purchase necessary. Most businesses that provide oil change services follow this policy.

All the sites listed here also accept used motor oil and used motor oil filters. Sites marked with an asterisk (\*) are open to ALL Waukesha County residents; all other sites are only open to residents of those communities. *(Due to contamination issues, empty oil containers are not accepted for recycling.)*
