

University of Wisconsin-Extension

You are cordially invited to attend the 2015 Trial Garden and Plant Health Field Day. This unique information packed day provides an opportunity to view and learn about new and upcoming plant cultivars and current cultural and plant health practices. Although this course is designed for people in the horticulture industry, all interested individuals are welcome.

The program will be held rain or shine at Boerner Botanical Gardens. Please keep this brochure to remind you of the time and date of the program as registration is non-refundable after the registration deadline and a confirmation card will not be sent.

The registration fee is \$55 per person. Registration priority will be given to green industry professionals. A late fee of \$10 per person will be charged after the registration deadline. This course offers you a unique and inexpensive educational opportunity. We hope you will attend.

If you have any questions, contact Christa Thao at the UW-Extension office at (262) 548-7775.

Sincerely,

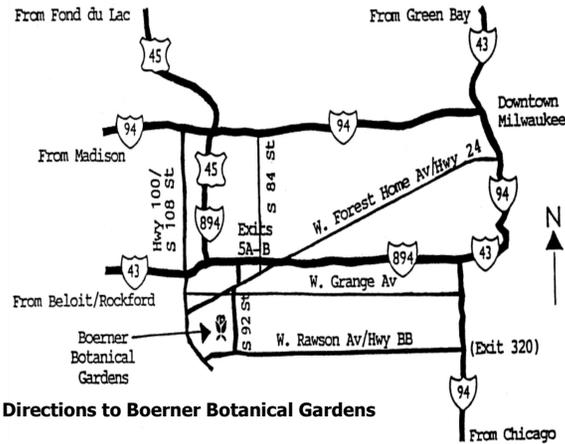

Kristin Krokowski, *Commercial Horticulture Educator UW-Extension Waukesha County*

Patti Nagai, *Horticulture Educator UW-Extension Racine County*

Barb Larson, *Horticulture Educator UW-Extension Kenosha County*

Shirley Dommer-Walczak, *Garden's Director Boerner Botanical Gardens*
