WCNC Mission: Through collaboration, cooperation, and information sharing, the WCNC works to prevent hunger and food insecurity, provides information and education on nutrition issues, and promotes social policies that achieve food security while honoring the dignity of those we serve.

UW-Extension provides equal opportunities in employment and programming including Title IX and ADA requirements. WNEP education is supported by the USDA Food Stamp Program, UW-Extension, FoodShare Wisconsin, and local partners. In Wisconsin, FoodShare can help provide a healthy diet.
