

Our national Lions Club Association has declared that from now until July 1, 2015, veterans of all ages may join their local Lions Club without paying an initiation fee. We, the Waukesha Lions, would like to take this opportunity to extend a special invitation to the current and retired service men and women in the greater Waukesha area.

The Lions Club is a non-profit service organization with a mission of helping those in need throughout the local, state, national and international community. It seems like a natural fit for those who have given so much in service to their country.
